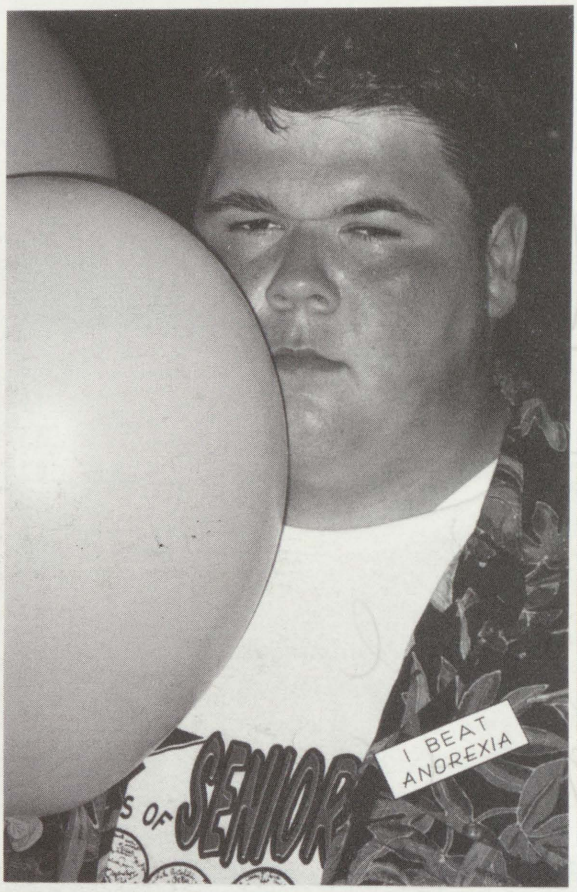
# What Will You Remember When You Look Back?



**WANTED!!**

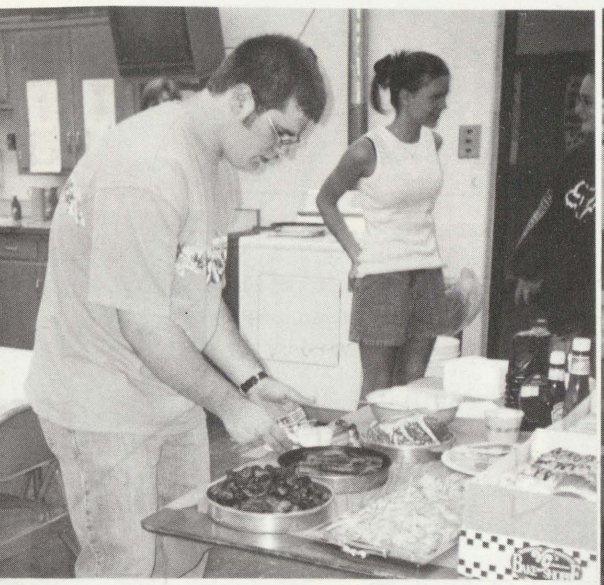
Does this look like a man who could possibly be (by none less than two security guards) escorted out of Cedar Point during the Senior Trip? It was a case of mistaken identity. A young man who fit Josh Sharrow's description (go figure) was causing some mischief in the park. Josh got identified and, fortunately for him, he was already heading toward the bus. True to Josh's nature, he was not stressed by the situation at all.

**Pedicure?** No, just giving each foot a letter . Once they all had a letter, they had to move around until they spelt a word. Austin Schaeding, Peter Munguia, Cody Burch, Eric Anderson, Rick Carnahan.

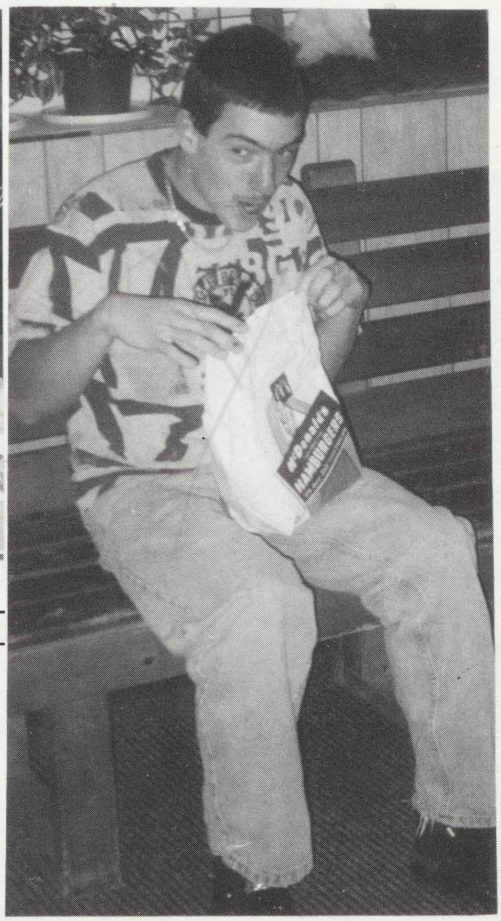
**Two bouts' for a babe!** Escorting none less than two lovely ladies to the prom, Stephen Konsdorf got the royal treatment. Amber Russell gave Stephen boutonnieres (procured from the table arrangements) since he is such a nice guy.

**Hiding Out?**

No, trimming bushes during Beautification Day. James Krebs & Tim VanElsacker.

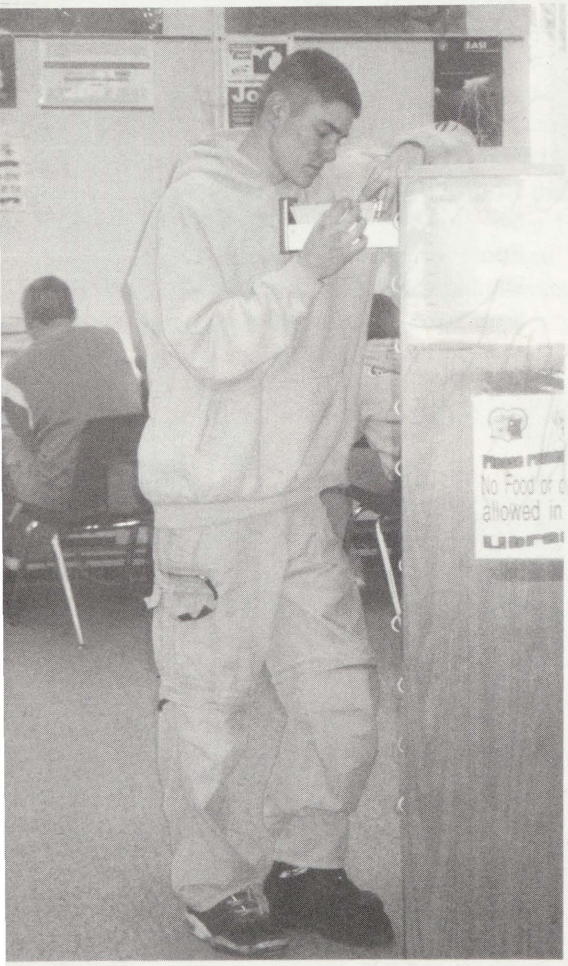


**"Do I smell bacon?"** Nick Hauman was invited to attend a 'Student Leadership' breakfast where the teachers' cooked for the students.

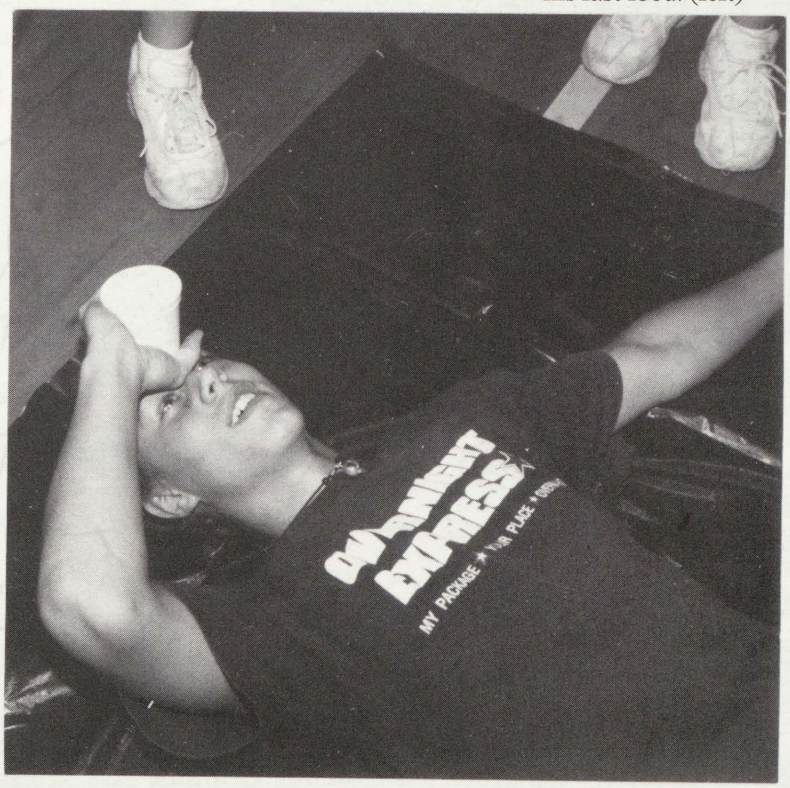


Aaron Patterson waltzes into school after a great day at COC.

**"Food? What food?"** Matt Bostwick is about to enjoy his fast food. (left)



In todays' technology age, we still need to combine internet sources with library materials. Nate Fulara.



**" I hope they don't miss."** Matt Walkowski waited for toothpaste to be squeezed into a cup on his forehead at a competition assembly.

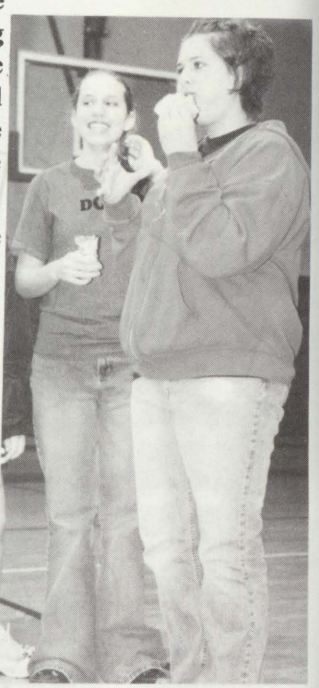
**Caught at the Homecoming Dance** Chance Woodgate and Chris Wiley were surprised by the camera flash.



Although Nichole Pelletier and Megan Brothers didn't win the eating contest at the Christmas Assembly, the team gave it a good try.

Students did a good job of disguising themselves on Halloween: Mardi Gras Partyer Leah Tomczak, Nurse Jessica Coe, Scottish Bag Piper John Call, Tootsie Roll Rachel Klein, Cow Girl Amber Zimmerman, Witch Doctor Josh Sharrow, Eponine Katie Muirhead, Chelsea Dean, Grave Digger Randy Moore, Ryan Smith, Cat Woman Kara Yuker, Scream Star Kyle Smith, Bride-to-be Jessica Gute, Bag Lady Eric Bowler, and French Maid Ruzena Bogar.

The Student Council bought gifts for students to choose from if their name was drawn at the Christmas Assembly. Alexander Hang was one of the lucky students whose name was drawn.

 *pages by Megan McKim*

America at War students Tim Marshall and Ryan Smith relaxed and got very comfortable while they worked on their timeline project.

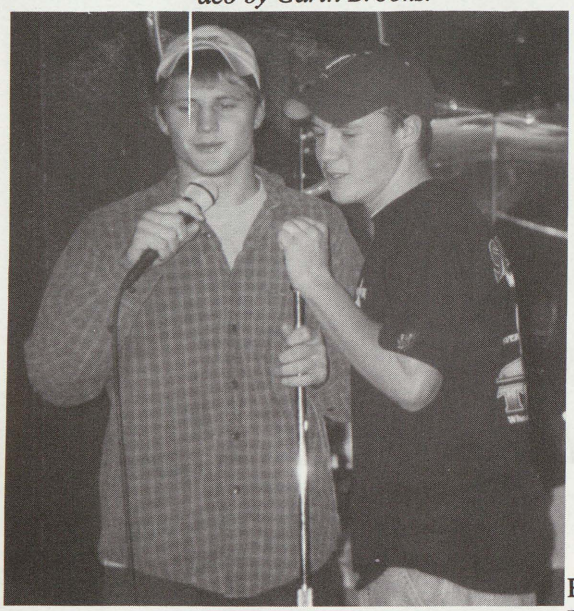
**One student got caught doing another student's homework:** Amber Zimmerman video taped for Josh Sharrow 's, broadcasting video.

At the Homecoming dance Tom Lambert, Jolee Hare, Chad Walker, and Crystal Swanson had fun.

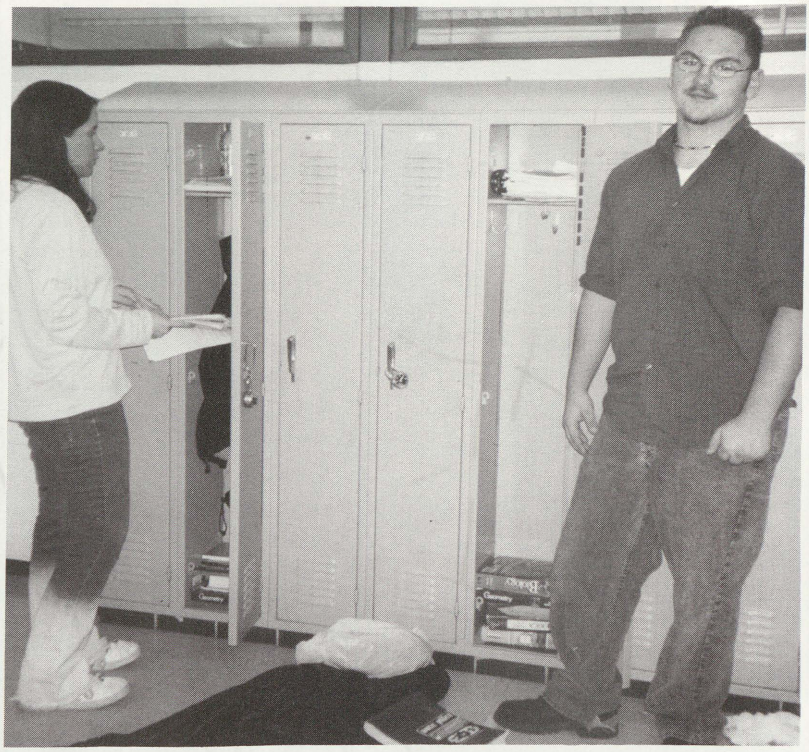
**Ecology Club students shared food and enjoyed canoeing, camping, hiking, and other ecological experiences on Isle Royal:** Melanie Schlicker, Jeff Hagerl, and Rob Lawrence.

At the Christmas ssembly Tara Craglow helped her class earn points during one of the games.

Locker check is a necessary evil that occurs several times a year. Stephanie Dockham and Seth Knapp.



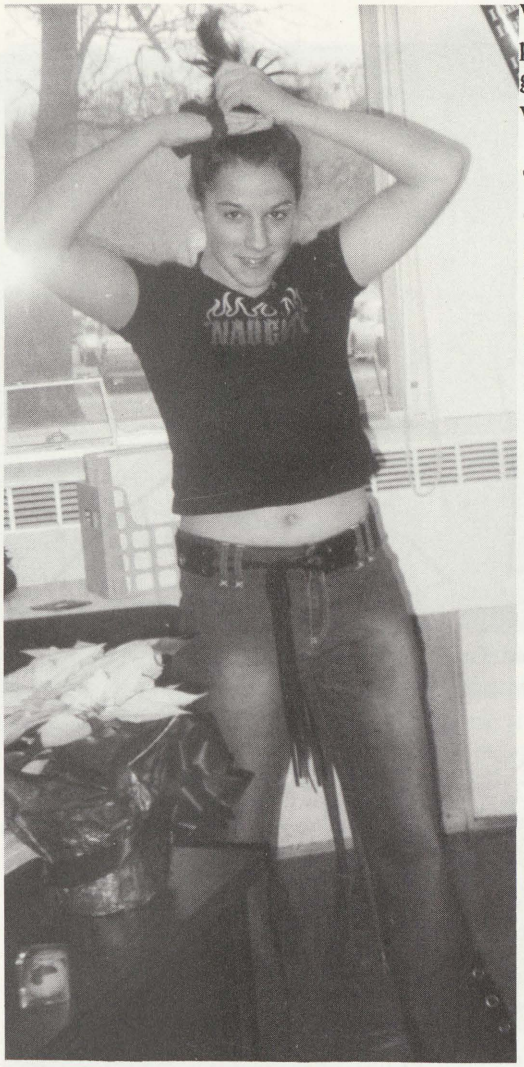
**Karaoke anyone?** Greg Goidosik and B.J. Browne sang the song *Rodeo by Garth Brooks.*



Between classes Michelle Stavely got in the Holem food line.

Carrie Howell

**Is this gaudy enough?** Mike Konieczka dressed up for Homecoming's Spirit Week on Gaudy Glitter Glitz Day.



When Allisha Jenkins put her hair up, she gave fly away hair a whole new meaning.

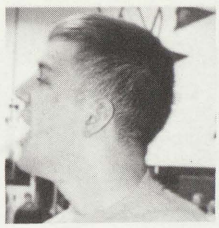
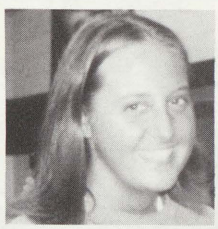
The Demoniac Clown (Michael Bernardoni) built his own background and scenery for The Village of The Living Dead.

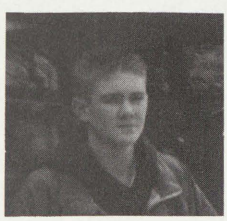


Brett Wicke

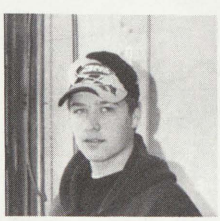


Jolee Hare won a DVD player at the Christmas assembly.

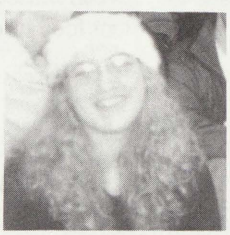
*"I gotta look good"*. Luke Chad got ready for his picture to be taken.



Nick Fulara

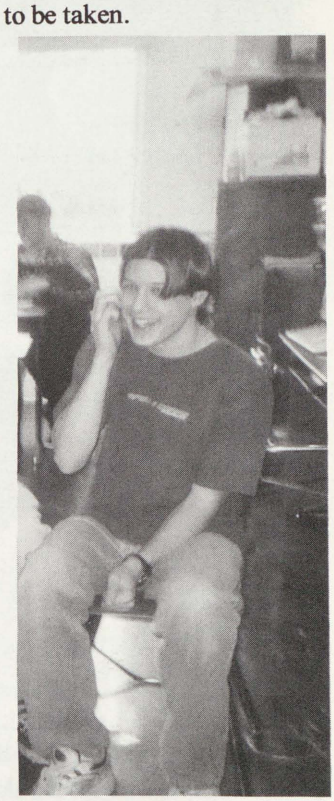


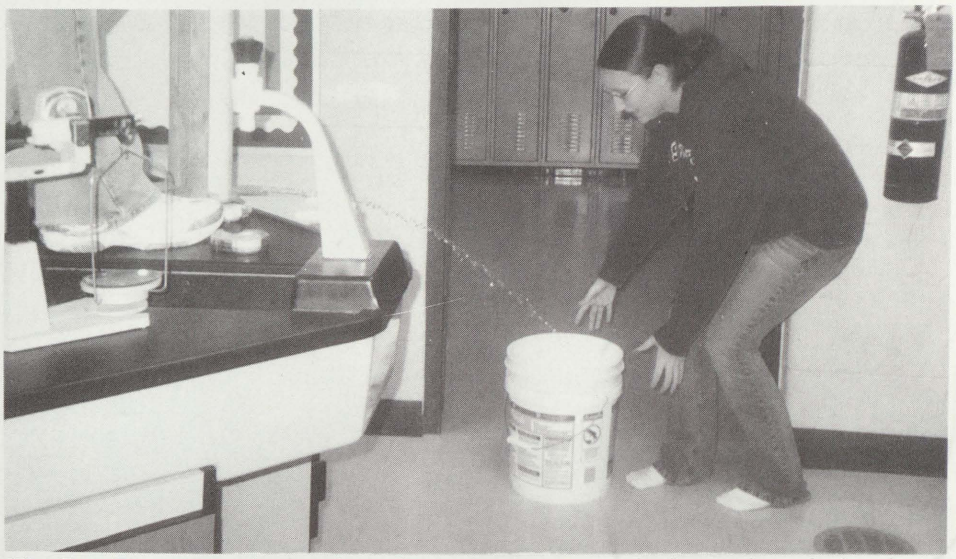
Chad Walker



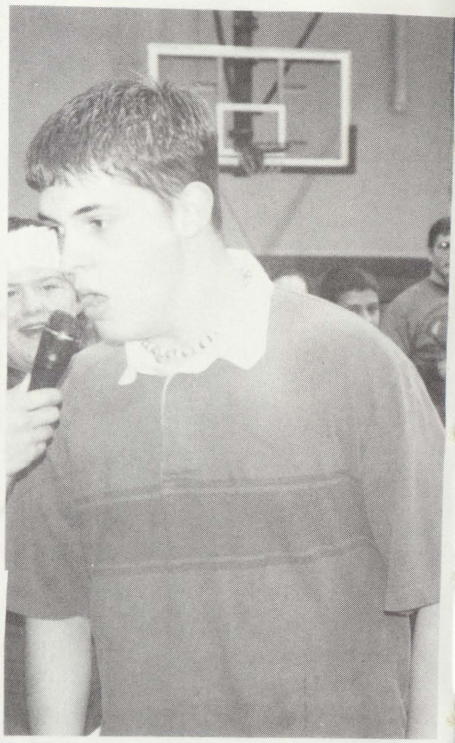
Andrea Harkins

At our great Christmas assembly Tim VanElsacker and Brandon Lake earned points for their class by pulling Justin Alberts across the gym floor.



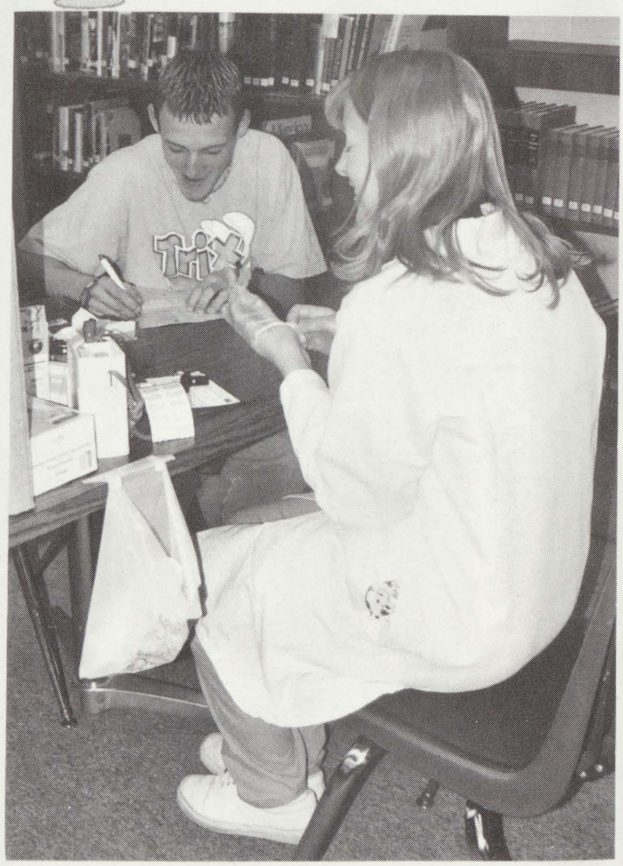


**The Egg Drop**...For physics class, the students were required to make a device that would drop an egg 1.5 meters in 2 minutes. Amanda Stahl (above) worked with Jill Kenyon on the project. They took 3rd place with a time of 2:04. Michael Konieczka (below) worked with Ashley Burch and Laura Donovan. They took 4th place with a time of 1:55.



Taking 1st place in a belching contest was easy for Paul Hemminger. Eat a banana, drink a can of Sprite and belch!

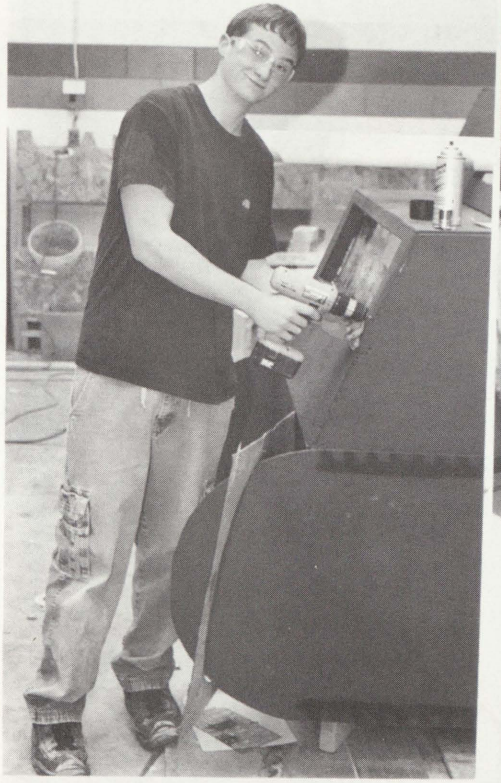
**Assemblies are fun!...**Kelly Frendscho, Eric Bowler, Jeff Hagerl, Melanie Schlicker, Krystina Becker, Cherie Jo Rigdon, Rachel Wooley, Paul Andrusiak, Nick Carlevato, Amber Zimmerman, and Rob Novak

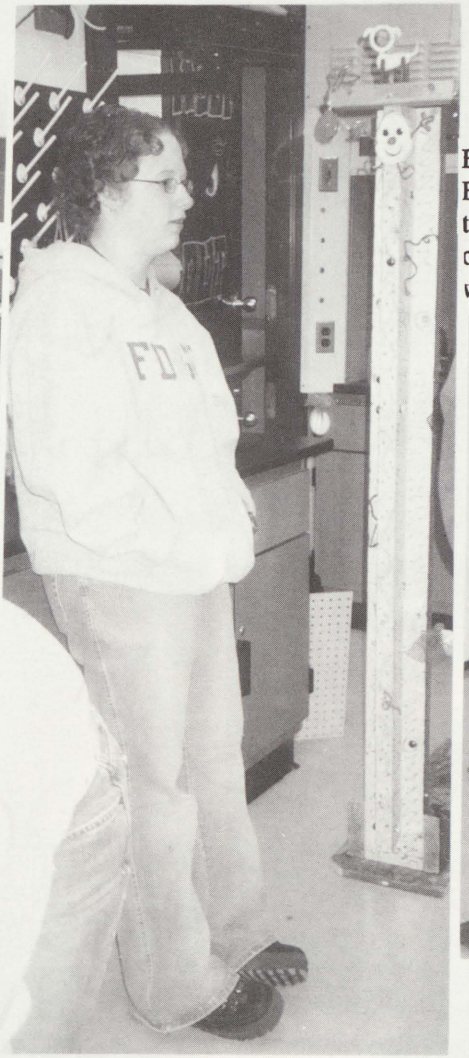


Kyle Waseleski filled out an information card before he donated blood at one of the annual blood drives sponsored by the Student Council and the Saginaw Valley Blood Program.

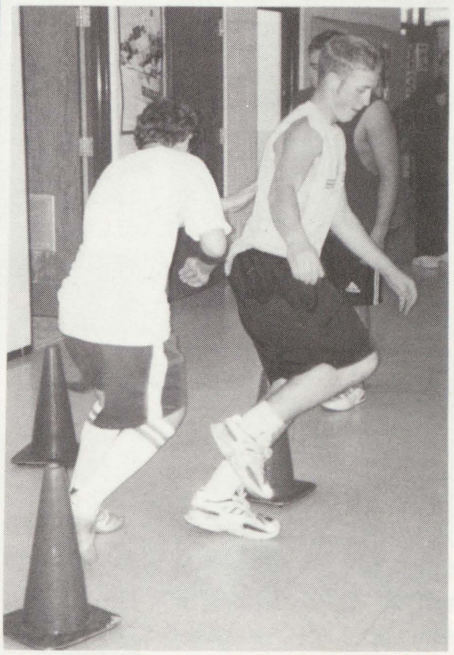
**Saginaw Career Complex**...Nick Fulara was a first year student at the Saginaw Career Complex working in Automotive Technology. Bobby McKeage was a second year student in Building Construction.

Even though Eric Bowler cheered him on, Bobby Toskey couldn't eat the peanut butter sandwich fast enough, so he put part of it in his pocket. Of course, the seniors were disqualified from the game.





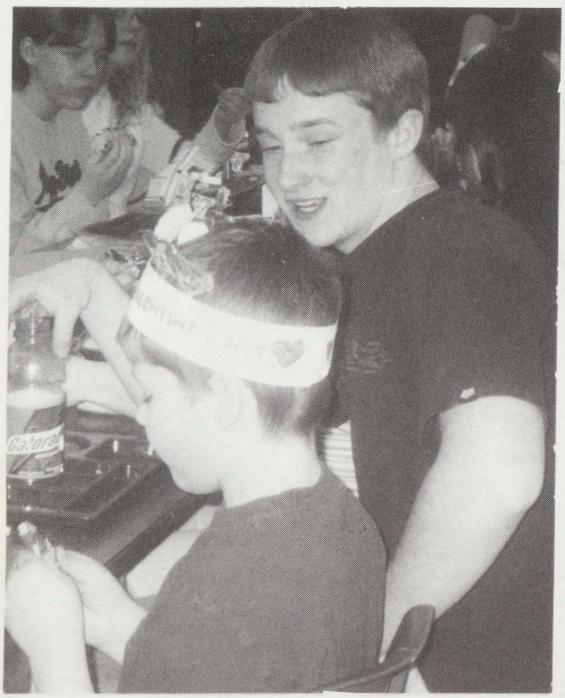
**More Egg Dropping!**...Jackie Wilber, along with group members Kim Anklam, Melissa Kohl, and Teresa Fowler, received a 2nd place in the Egg Drop, with a time of 2:00.88.



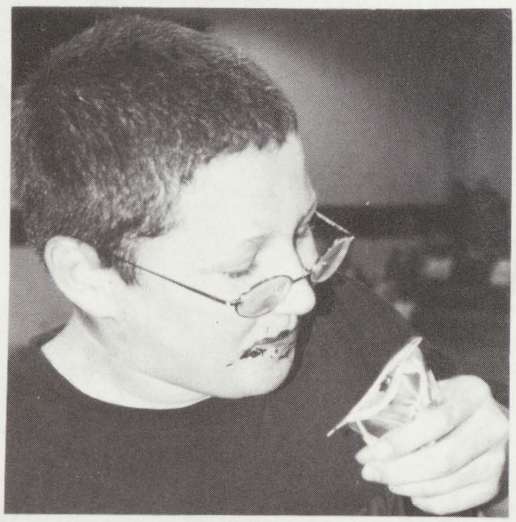
**Need for Speed...**Cody Jackson, Tyler Browne, and David Ortega tried to improve agility and speed in an after school workout.

# Weird Faces, Weird Places...

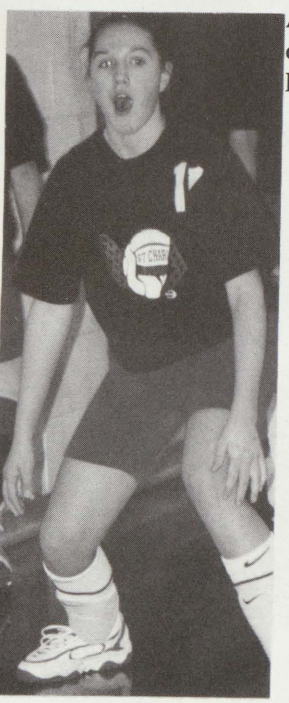
Bobby McKeage with his elementary school buddy.



Alan Lich, Kristina Fleissner, and Ms. Bell all participated in the Christmas assembly. Alan and Kristina both had to eat something while Ms. Bell drank Sprite and tried to win the burping contest but lost.



Allisha Jenkins



Megan Brothers also participated in the eating contest at the Christmas assembly.

All tired out...

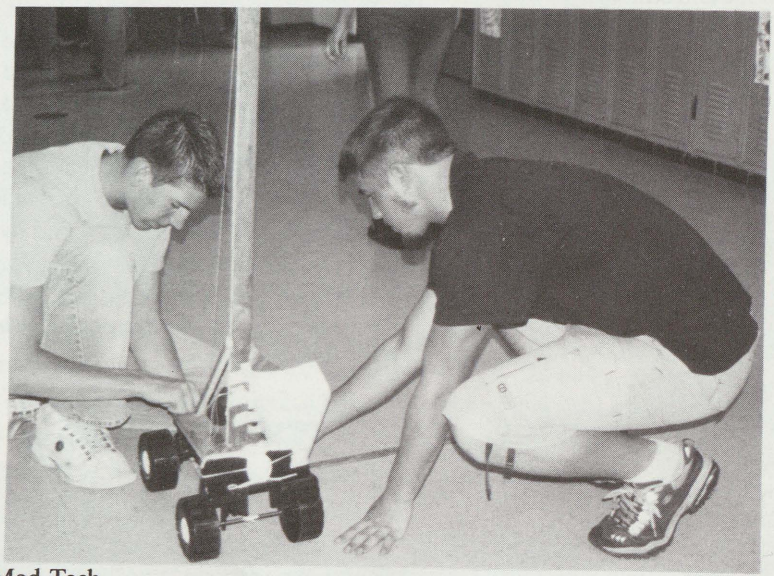
Physics

Craig Patelski and Ryan Smith had some last minute problems to fix on their egg mobile.



Mod Tech

Josh Damic demonstrated for his class how his Boom Lever project was designed for Mod Tech, while Bobby Toskey and Kyle Smith tried to stay awake. (bottom right)

# Spanish I, II, III, IV Presents ~ ~ Cinco de Mayo

*This past year there were four levels of Spanish, with level III & IV as independent study. Mrs. Tuthill, at the expense of her own personal time, never turned down students who wanted to expand their Spanish skills. Several of her graduated students have gone on in the hopes of becoming a Spanish teacher. She has also had a student go on to become an interpreter for the government. When entering Room 504, you feel the Spanish ambiance.*

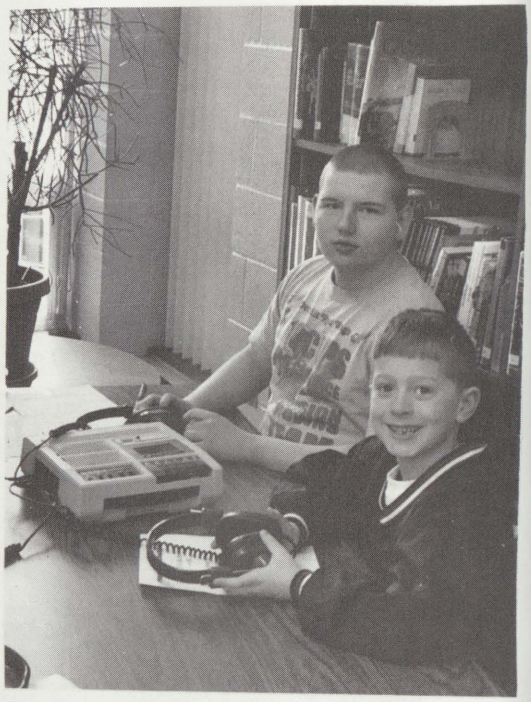
*One of the events that the Spanish class sponsored this year was Cinco de Mayo (The 5th of May). TheSpanish IV students, Jillian Kenyon, Mike Konieczka, Justin Fulton, and Teresa Fowler taught the entire sixth grade class Spanish for the full school year. The culminating activities included a simulated plane trip to Mexico with celebrity guests. Enrique Iglesias (Mike Konieczka) and Shakira (Ruzena Bogar) who entertained them with song and dance. Students then moved on to the gym where they ate traditional Spanish cuisine, broke Piñatas, made typical Spanish crafts such as maracas, and sang Spanish Karoake.*

*Not only were the 4th year students fulfilling college world language requirements, they were also exploring teaching as a career. The Spanish IV students were excellent role models and benefited immensely from the experience - to say nothing of the exposure the younger students were privileged to. We look forward to the beginning classes carrying on this event!*

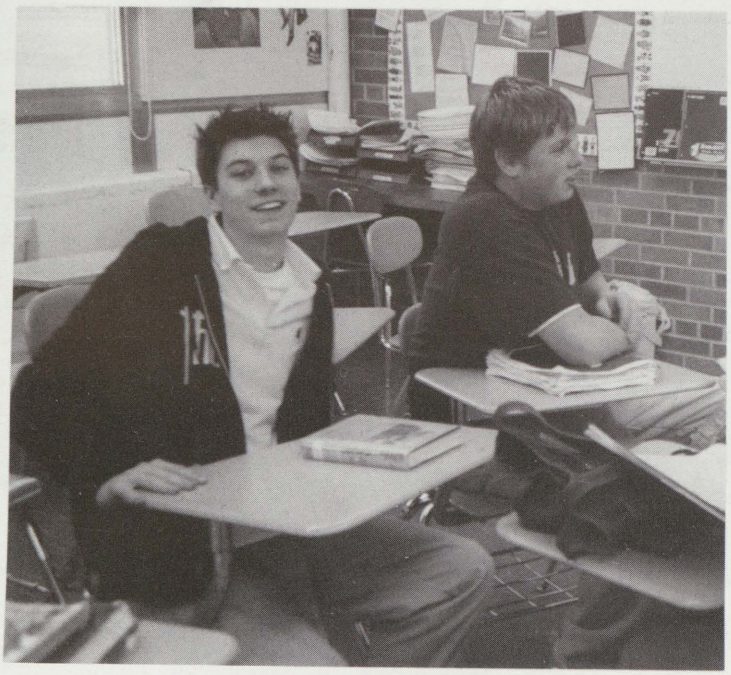
Mike Konieczka and Teresa Fowler organized the karaoke extravaganza and there were some present that were glad that the little voices had alot of help. With camera in hand, Ashley Bias wondered around the room making sure that the event was preserved for history. Will we being seeing a nomination for a short documentary in the future? Justin Fulton was ready for the Piñatas but took a healthy step backward when the sixth graders got the stick in hand.

# Behavioral Science/Psychology

Mixing colors and spinning them on a wheel results in a totally different color. That was the experiment Heather Bradley and her pal attempted.

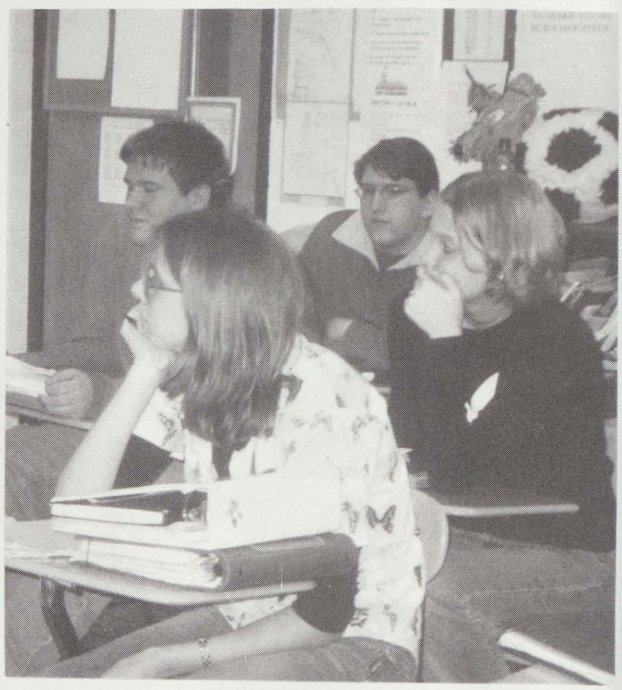


Chase Tobias and his elementary pal experimented at one of the sound stations that the high school psychology class set up. The objective was to teach their buddies about the 8 smarts.



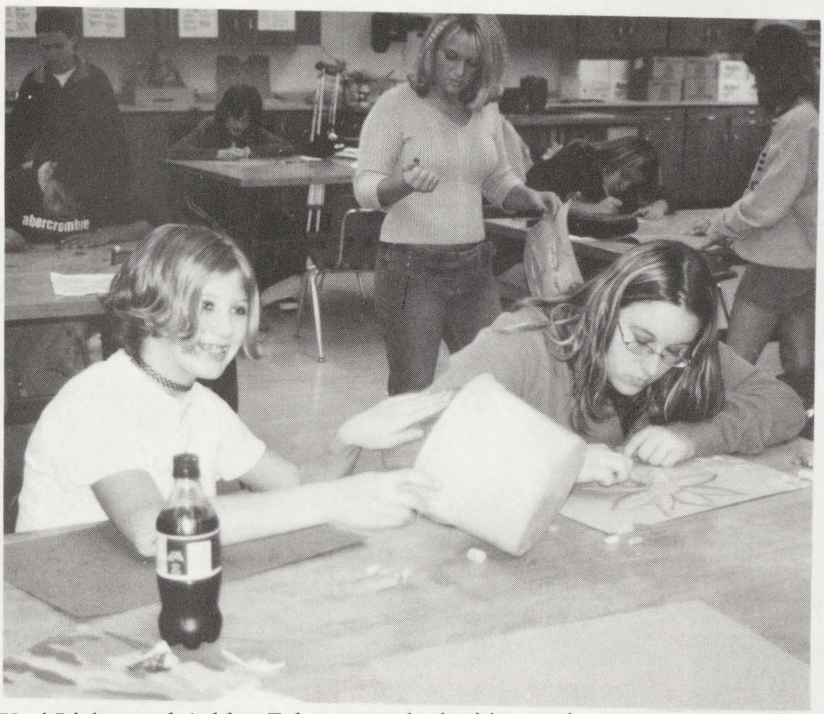
Justin Fulton and Jake Leadford socialized with their group as they looked up information about behaviorism.

*There are eight schools of thought: Structuralism, Functionalism, Existentialism, Humanism, Behaviorism, Psychoanalysis, Cognitive, and Gestalt.*

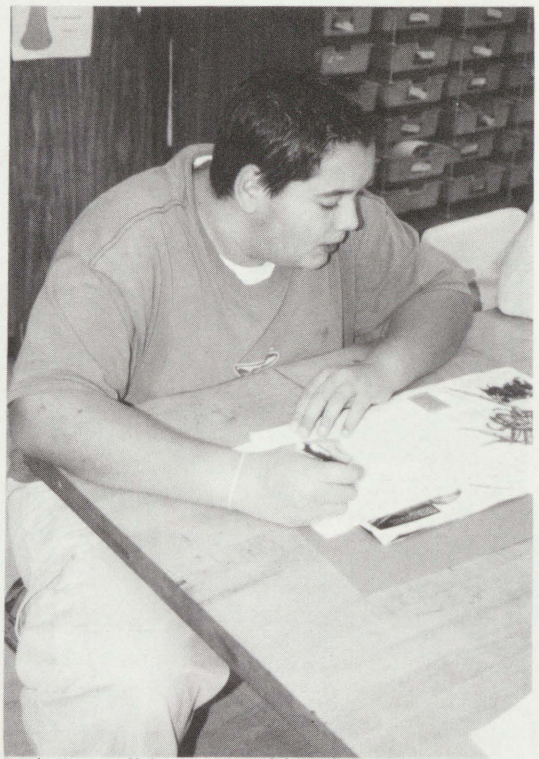


Bobby Toskey, Rachel Wooley, Kurtis Dros, and Erica Fisk gave their full attention to each group as they presented their school of thought in Mrs. Tuthill's psychology class.

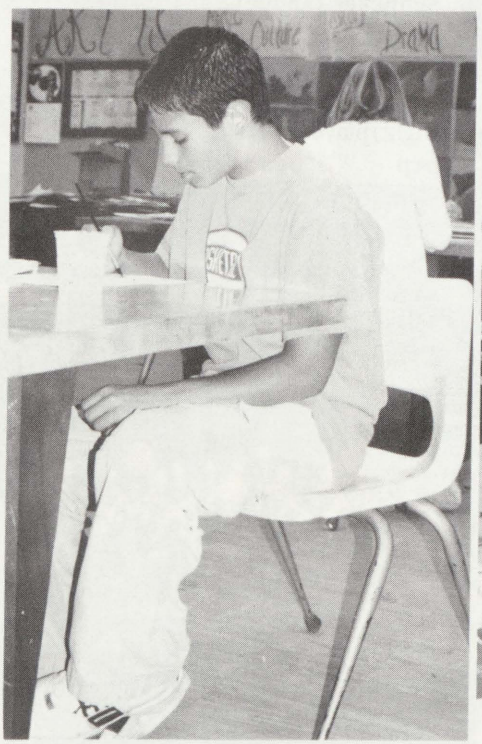
# Art Is... Everywhere

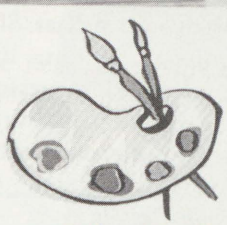


Kari Lieber and Ashley Fehman worked with pastels.



Josh Hare did a compositional drawing assignment of an Arachnid (spider).

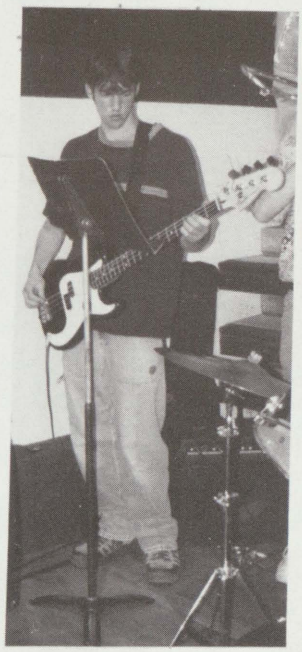




With a mixture of creativity and some water colors, Craig Guzy, Tara Greve, Crystal Swanson, and Melissa Hamilton made their own creative color wheel.

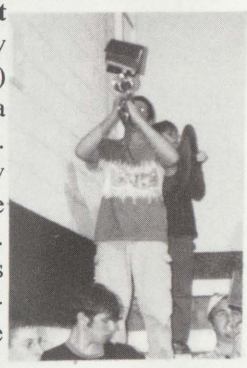
# The Beat Still Marches On.....

**Keep That Beat Nacho!**...Nick Carlevato kept everyone on the beat at a basketball game. Joe Mahoney (right) played his bass guitar during the same game.



## Melissa S. Rose

A beloved band member of 4 and-a-half years will be missed greatly. Melissa was a wonderful girl, that always was a pleasure to have in class. She also enjoyed playing the cymbals in the percussion section. Melissa will always be remembered in our hearts.



**Play that trumpet Andy!** Andy Schlicker (above) played during a half-time show. Andy Mahony (right) played in the pep band. Cameron Adams (left) with his saxophone. All three were freshmen.

The Marching Band performed at a half-time show for a home football game. Various songs this year included *Jesus is Just Alright, Margaritaville,* and *We Are Family*. Their spring trip this year was to Walt Disney World, FL. (It was the farthest the band had ever traveled.)

# A Little Off Key? I Don't Think So.

**Sing, sing, sing**...George Price IV played the 88's. Members of the choir (top right) learned how to play the piano. Julie Williams, Ashley Richter, Nick Carlevato, and Brittany Schwab. Julie Williams (right) sang Christmas music. Brittany Schwab (bottom left) sang a sweet tune as Mr. Andrusiak accompanies her. The choir (bottom right) sang tunes for a student assembly. Ashley Sova, Katy Andrusiak, Debbie Cherry, Julie Williams, Ashley Richter, and Brittany Schwab.

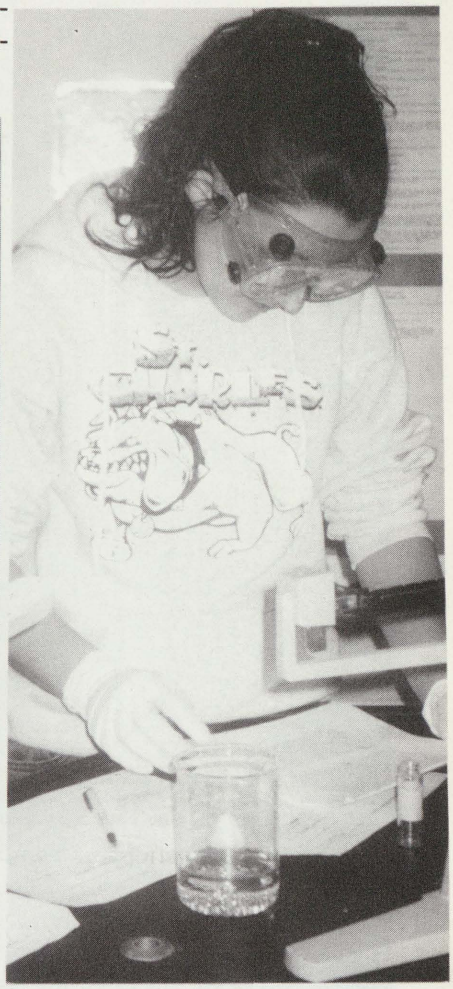
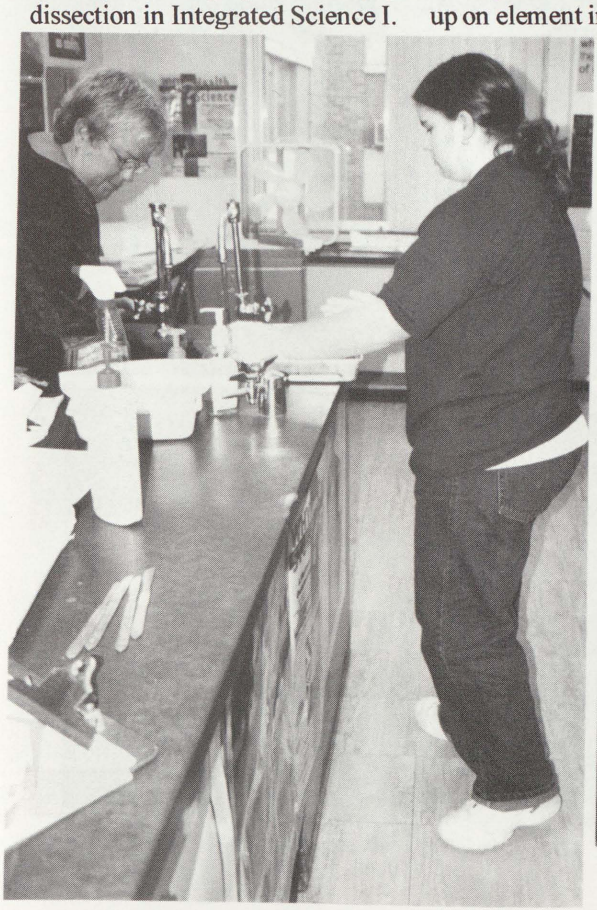
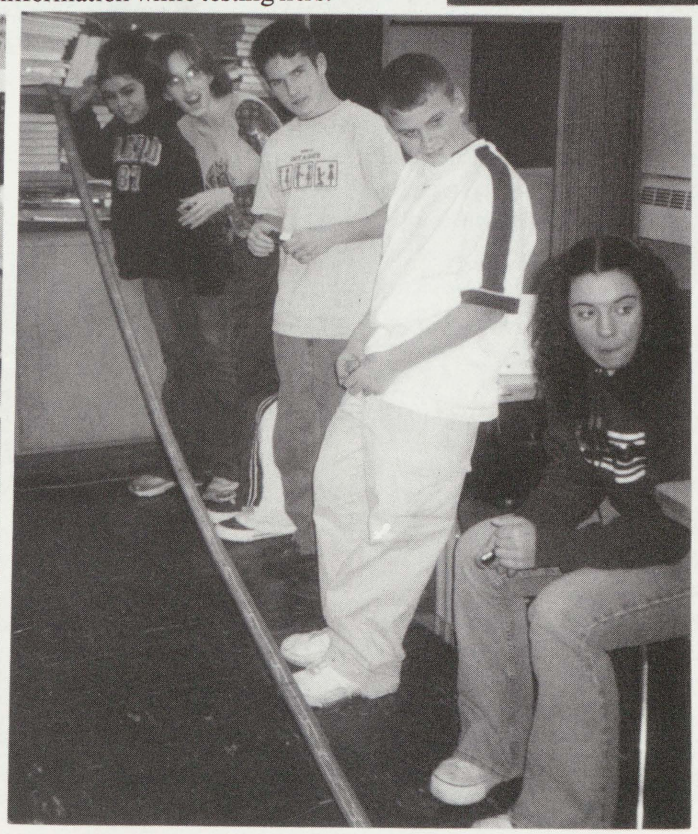
Chelsey Koehler prepared for a pig dissection in Integrated Science I.

Before the Greenhouse Management class gave Poinsettias to the staff and administration for Christmas, Melissa Kohl helped wrap them in a pretty package.

In Chemistry, students were given an unidentified element. Their job was to figure out which one they had through a series of experiments. Allison Restifo read up on element information while testing hers.







Trista Hollenback, Jenna Fulmer, DJ Carter, Jason Pumford, and Danielle Luplow watched as a matchbox car flew past. Integrated Science II students raced them to test the laws of speed.

Concerns include gathering pictures, facts, scores, student quotes, etc. It will never be perfect, but we always try our very best. Each book actually costs $68.00 to produce, but because of the generous support from businesses and patrons, the cost was held at $35.00 each. # Spirit Week

***Spirit Week*** doesn't just represent one day or one type of event, it represents a series of events that make the whole week extra special. The powderpuff football game starts out the week, followed by the king and queen assembly, hall decorations, a pep assembly, parade, and the football game with special half-time activities. The end of the week is celebrated with a homecoming dance; where everyone gets to dress up and shine. This week is always one of the most memorable for the student body - and the most fun!

### *Who said the Seniors were losers?*

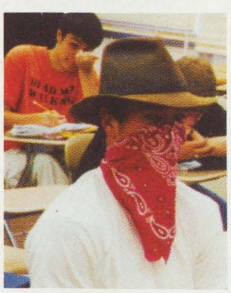
They may have lost hall decorations and float competition, but they took overall points for Spirit Week. They ranked first in dress-up days and stepped up the volume to win the jug at the Homecoming assembly. They also overpowered the underclassmen in the games.

**Spirit week final results:**

1st >>> Seniors
2nd >>> Juniors
3rd >>> Freshmen
4th >>> Sophomores

Offering some serious competition, the Freshmen were just a few decibels below the seniors in the jug competition. They pose a serious threat in the future to the upperclassmen. (top)

Taking their creativity and talent from the classroom into the community, the art class painted windows in town. Senior Amber Zimmerman painted her last Homecoming window. The colorful windows added a touch of spirit to the week.



**Who was that masked cowboy?**

Josh Braun

**Who was that dressing in the middle of the gym?**

***Pep-Rally Fun*** ... The cheerleaders sponsored the assembly that kept the students in competition with one another. Amanda Reno kept close tabs on Freshman Nichole Pelletier as she tried to squeeze toothpaste in a cup, instead of on Chris Wiley. Sophomore Courtney Eggebrecht does better with her pudding than Ryan Jerewski did with his fruit roll-up; Ryan had the hardest time getting the package open.

*Float Ratings..*

***1stPlace~Juniors (Hawaii)***

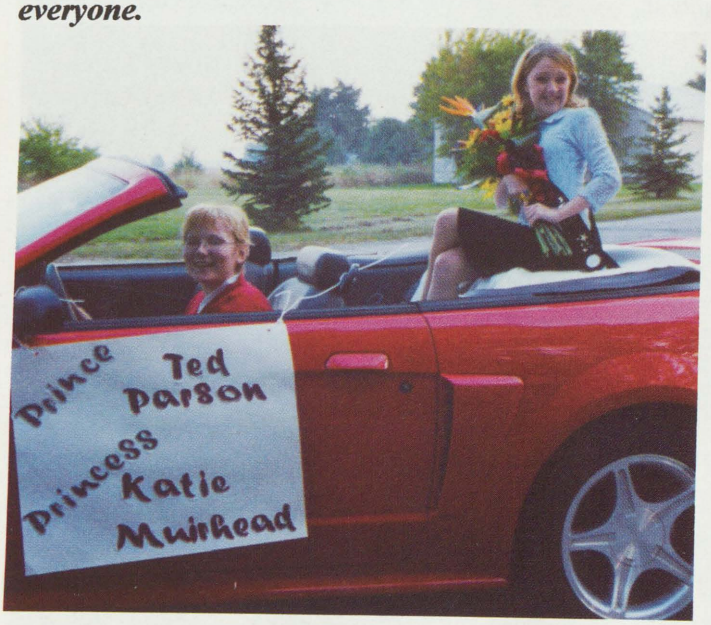
***3rd Place~Sophomores (Mardi Gras)***
***No Entry ~Seniors***

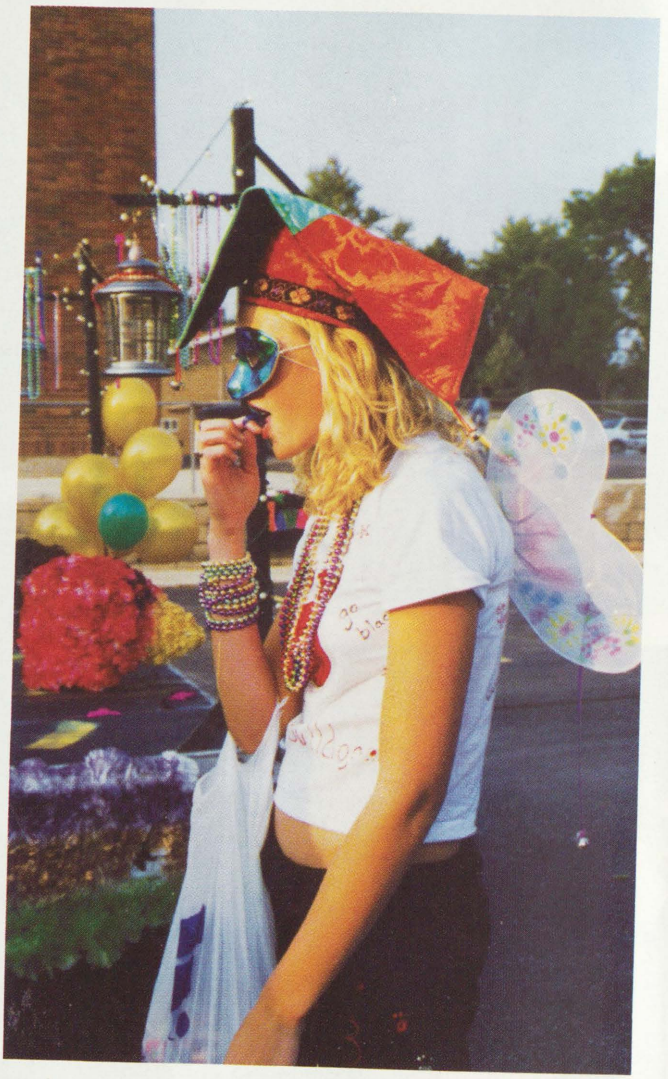
*The St. Charles Marching Band led the parade, followed by the 2002 Grand Marshall Ernie Dinninger, along with his wife Joannie in a horse-drawn carriage.. The weather forcast called for rain, but we were blessed with a beautiful day. The Student Council organized the parade, containing a selection of floats, antique cars, busses, trucks, etc. ~* ***something for everyone.***



Megan McKim drove the new Princess, Katie Muirhead, in one hot Mustang. No male court members were seen riding in the parade since they were all on the football team.

## Taking a Vacation

The Sophomores passed out bead necklaces and candy. Nikki Boquette decided to sneak a little treat for herself.



The hula dancers sure knew how to shake it! The juniors were hoping to win the float competition for the third year in a row (and they did)! Jenny Rosser, Kelly Frendscho, Whitney Primeau, Amber Thurston, Katie Eggebrecht, Ashley Schlager, Savannah Hanning, Ashley Wicke, Ashley Dague, & Jessica Symons.

The high school SADD chapter renamed their club "Teen Action Council" (TAC). Shelly Hartwig, Deborah Cherry, Katie Demongey, and Ashley Sova were proud to carry their banner.

***Who got the most candy?*** ... These Juniors, Nick Luplow, Joe Thurston, and Aaron Nowak, scrambled to pick up every morsel. Rumor has it they even hassled the drivers that weren't generous (it worked too). They were trying to compete with Ms. Schoen and Ms. Schantz - they got whooped!

***Who was that masked girl?*** The Sophomores worked hard to bring out the essence of Mardi Gras; their costumes delighted the crowd. It was told that a masked young man scared Scott Rousseau's two year old, but all was forgiven when he had beads placed around his neck. *So, who was that masked girl?*

# Student Council

Once again, this year's Student Council had been extremely busy with many projects and activities. It was decided that the Council wanted to sponsor four student appreciation days throughout the year. Student appreciation days are when the Council provided a treat for the entire student body to enjoy. The Council sponsors not only events that benefit the school and students, but the community as well. Food drives, blood drives, and funding of community activities are just a few examples.

**Events sponsored by the Student Council included:**

- Welcome back gifts for faculty
- Homecoming parade & decorating
- Blood drives
- Student appreciation days
- Teacher appreciation luncheons
- Student Council exchanges
- Leadership conferences
- Assembly speakers
- Thanksgiving food drive
- Christmas assembly
- Spirit weeks
- Coming Home assembly
- Funding for programs such as Academic Recognition and Beautification Day

# Magic the Gathering

***Something new*** ~~ Magic the Gathering Club. This club was formed to allow those students who play Magic a time and place to compete and trade cards for the game. Magic had met informally for a number of years but in no organized fashion. With an organized group, however, the members could attend pre-releases and tournaments along with local games after school. The students met wherever it was most convenient for them, most often the library or Mr. Moorehead's room. Magic the Gathering was a new social club open to any student who wished to play – they only needed cards and knowledge of the game.

***Team Members***: Rob Novak, Cameron Adams, Paul Andrusiak, Jamie Richter, Dan Carson, **Advisor Dillon Moorehead**, Stephen Konsdorf, Aaron Patterson, Kevan Stack, Josh Ellis, Josh Urbain, Michael McClain, Luke Chad, Nick Carlevato, Anthony Lucio. Not pictured: Andrew Mahoney. Sorry if we missed anyone, but there wasn't an actual list of members.

***Attacking for 2, your turn*** ... Luke Chad, Paul Andrusiak, Josh Urbain, Nick Carlevato, and Rob Novak challenge one another. (And then there was Josh Sharrow trying to take their picture – oops, get out of the way Josh – Mark Williams, the yearbook photographer, already had it covered.

# Teen Action Council

T.A.C. members: Kadie Urbain, Ashley Bias, Allisha Jenkins, Teresa Fowler, Ashley Sova, Jenni Erdman, **Co-Historian** Kelly Frendscho, **President** Ruzena Bogar, **Co-Historian** Katie Muirhead, Marae Bethel, **Treasurer** Shelly Hartwig, Debbie Cherry, and **Secretary** Kimberly Anklam.

Camara Shy: **Vice-President** Jill Kenyon, Emily Swartzendruber, Shana Lisik, Cecilia Munoz, Jacob Brownlie, Katie Demongey, Cherie Rigdon, and Anna Krzywosinski.

Wearing funky glasses and a colorful wig, Katie Muirhead and Jenni Erdman are still in high spirits after returning from the S.A.D.D. Conference. The T.A.C. group won the "Chapter Clown" award, which was given to the loudest and the most spirited group. T.A.C. also won first place in the t-shirt fashion show and second in the talent show. (bottom right)

Waiting for the next event to begin, Katie Muirhead, "Tut," Kelly Frendscho, Jenni Erdman, Jill Kenyon, Allisha Jenkins, Mrs. Schantz, Shelly Hartwig, Kim Anklam, Debbie Cherry, Kadie Urbain, and Mrs. Bogar patiently took their break. "Tut," or the poster board, was a drawing of Mrs. Tuthill. Since she could not attend the conference, the T.A.C. group drew her on a poster board and took her everywhere throughout the conference, so she could be there in spirit. Mrs. Bogar and Mrs. Schantz were the temporary advisors at the S.A.D.D. Conference for the T.A.C. group. (left)

The S.A.D.D. Chapter of St. Charles changed their name to T.A.C., or Teen Action Council. T.A.C. held their annual B.Y.O.B. (Bring Your Own Banana) at the beginning of the year. This was a way for everyone to get involved and to welcome new members to the club. During Homecoming week, T.A.C. had golf carts and goggles during lunch to simulate driving under the influence and how it affects your senses. They also tied ribbons on cars and handed out candy with the sayings "Be a smartie when you party" attached to them. This year, the T.A.C. group spent three days at the S.A.D.D. Conference, held at the Shanty Creek Ski Resort in Shanty Creek, MI, learning about destructive decisions and their consequences. They also listened to numerous speakers and their experiences at the conference. T.A.C. also sold calendars. The calendar features numerous clubs, organizations, sports, and students that represent good role models. During Celebration of Life week, T.A.C. had a motivational speaker Sam Glenn talk to the student body, along with activities on each day of the week, with the theme "everyone is special." Also, motivational speaker Cara Johnston was invited to the school to talk to the student body about destructive decisions.

Coach Klenk's best memory is watching players and teams improve through the season, as well as being able to coach all four of his children. His worst coaching memory is when a player severely broke his leg during a baseball season.

☆☆☆**Nick Pumford** set a school record for best average with a 37.5, and a record for best tournament average with a 75.7. Nick ended the season by finishing 4th at State Finals and making the Division III All-State Team. Congratulations Nick!

He has also coached a number of other sports, including Varsity Basketball, Wrestling (2 years), and track (21 years). He also coached a Ski team (organized for only 1 year). Coach Welzein played a few sports in college. At Central Michigan University, he played basketball and football until he hurt his knee. After he recovered from his knee injury he went on to play 2 years of semi-professional football. Coach Welzein said this has been one of the most enjoyable group of kids to coach because they got along so well. His best memory of coaching was when they won the State Championship in 1999. His funniest moment while coaching over the years was when a player came up to him and told him they had an accident in their pants. The best memory of the 2001-2002 school year was when they beat Swan Valley, the worst moment was losing to Merrill. Coach Welzein stated he plans to continue coaching until it isn't fun anymore.

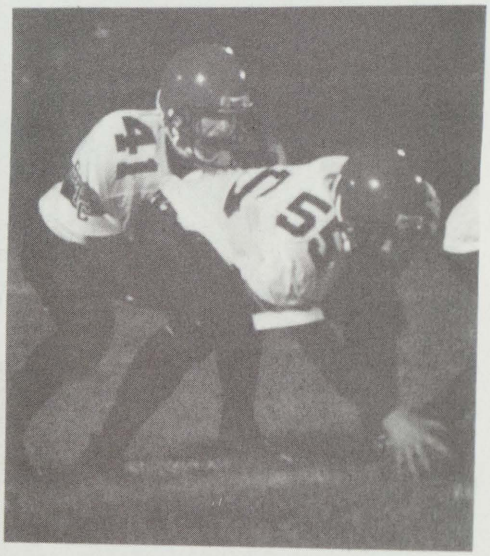
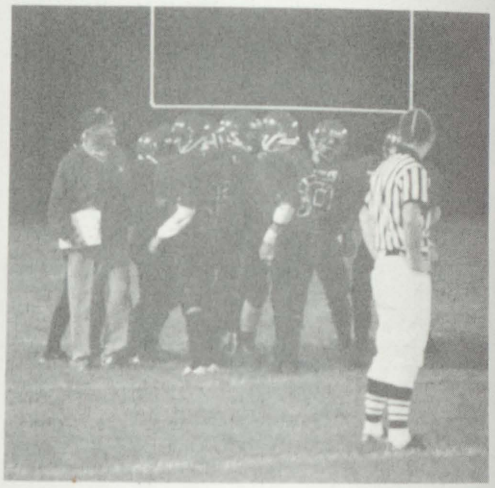
He has coached a number of sports over the years including, track for 4 years, assistant Football coach for 7 years, JV football Coach for 10 years, and JV basketball coach for 7 years. He played football, basketball, baseball and ran track in high school. Coach Henninger plans to coach as long for as he is teaching.



Shane Plank called for the snap from Tyler Browne (Right).



Coach Henninger called a time out to give the Bulldog offense a pep-talk to keep them in the game.

Second year girls basketball coach Mark Apsey has been coaching on and off for 20 years. Mark has coached baseball for 2 years, football for 2 years, and also has coached boys basketball in the past. He is a graduate of St. Charles high school in which he participated in football, basketball, golf, and baseball. After high school he continued his athletic career at Alma College where he participated in golf and basketball. The best moment of the 2002 season was coming from 20 pts. down and beating Birch Run in overtime. The worst moment was when Melissa broke her collar bone, it was such a tragedy for her and the team. Coach Apsey's best memory over the years was watching everyone get that much better! Coach Apsey enjoys coaching girls better than boys because the girls listen better and he is able to teach them more. Coach Apsey plans on continuing coaching girls basketball.

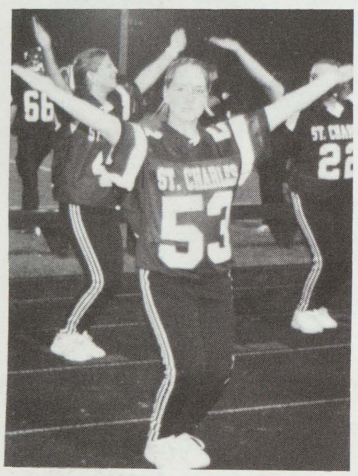
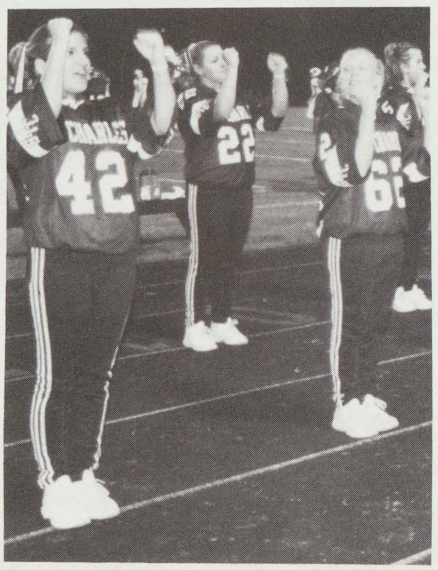
# Varsity Cheerleading

***Do these girls ever take a break?*** In March the girls started to raise money for different organizations. They raised $290.00 for the Child Abuse & Neglect Council, $2,664.52 for the Relay for Life, and $40.63 for the Twin Towers Orphans Fund. For each fundraiser they passed their initial goal. In the summer, the cheerleaders spent 24 hours on Ojibiway Island to participate in the Relay for Life.



Alex Young, Ashlee Parks, and Jenna Mead



Ashlee Parks, Jenna Mead, Stephanie Muirhead, and Amanda Reno

Jenna Mead, Blanca Munoz, Ashlee Parks, and Amanda Reno threw Danielle Whyte high into the air in a basket toss.

## Coach's Corner

Mrs. Schantz has been coaching cheerleading for six years. When she was in high school, she ran track and was also a cheerleader. Her quote for the 2002 season was: *"I have really enjoyed this group of young ladies. I feel honored to have coached such a great group of leaders. They have exceeded my expectations for them and their giving to others never ends. I am very proud of them."* The best moment of the season was when Ruzena Bogar performed the Ironman at competition. The worst moment of the season was realizing when the season was over after the play-off game. The funniest memory of this season was when Jenna Mead faked a volleyball injury the week of competition. Mrs. Schantz plans on coaching cheerleading for another 10 years.

At the cheerleader's first competition of the year, they had an awesome performance. They didn't win but they did perform a stunt that has never been done by St. Charles cheerleaders before. The stunt is called the Ironman. Jenni Erdman, Jenna Mead, Ruzena Bogar, Amanda Stahl, and Blanca Munoz performed the stunt. As you can see Ruzena is holding Blanca in the air all by herself!

**To dance or to deal...** At the Homecoming dance a deck of Magic cards was too much to resist -- at least for a little while. During the long line-up for pictures, Andy Mahoney and Cameron Adams found a spot to deal and challenge one another. It was a pretty good idea since the gym was packed and very warm.

Chelsey Koehler and Megan Brothers took their time making fly-fishing lures in Mr. Erickson's Integrated Science I class.

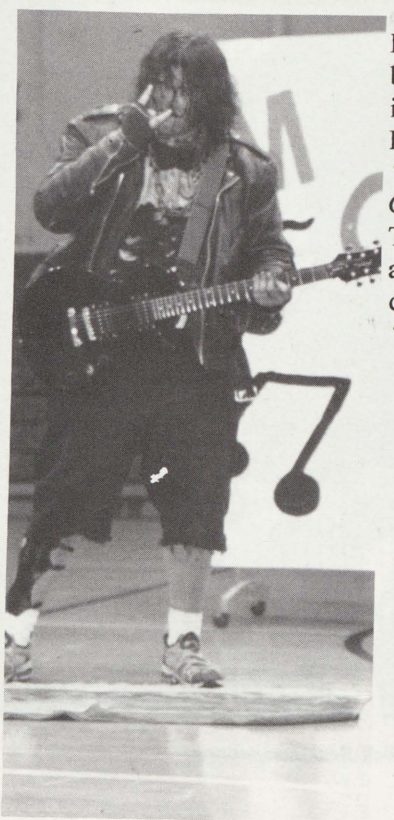
Ben Pohlman and Matt Savage performed AC/DC's "*TNT*". They won first place and Matt also won Mock Rock clown for his crazy imitation of Angus Young.



Ed Rigdon and Mike Bernardoni both performed in Mock Rock. Ed sang to "*Smooth Grandma*" by The Apoligetics and Mike's group did Rob Zombie's "*Dragula*".

The Sophomores completed their Homecoming float using the theme 'Mardi Gras'. They took a third place in the competition against the other classes, but their float was very creative and captured the essence of their theme.

Several times a year the Student Council sponsors a class competition that's all about having a good time and breaking away from the classroom stress. Danielle Luplow isn't in an eating competition, but rather eating to compete in a burping contest. Even though she didn't win first place, she was the first competitor to let out the loudest burp.

Two lucky Sophomores got the opportunity to be invited to the Jr/Sr Prom. Amanda Best looked great in lavendar and Julie Williams looked all grown up in black.

**Mr. Mroz** has been working at St. Charles High School for 32 years. He started working in the Fall of 1971. Throughout the years at St. Charles, he has taught Physical Education and Industrial Technology, and has also worked as the Guidance Counselor. When asked about his experiences at St. Charles High School, Mr. Mroz said, *"I have thoroughly enjoyed my years working at St. Charles High School and being a Bulldog. It's amazing how fast 32 years can fly by. But it wouldn't have been possible without the great support of the students, staff, and community. I would like to thank everyone for the opportunity to teach, coach, and counsel at St. Charles High School."*

**Mr. Erickson** has been a teacher for St. Charles for 31 years. He started teaching in 1972. In his years at St. Charles High School, he has taught Science, Physical Education, and Health. I enjoyed the people I worked with, the young people that I taught, and have a lot of memories. There aren't many jobs that you can have 10 good laughs a day, be with young adults that help keep you young, and once in awhile influence someone's life."*

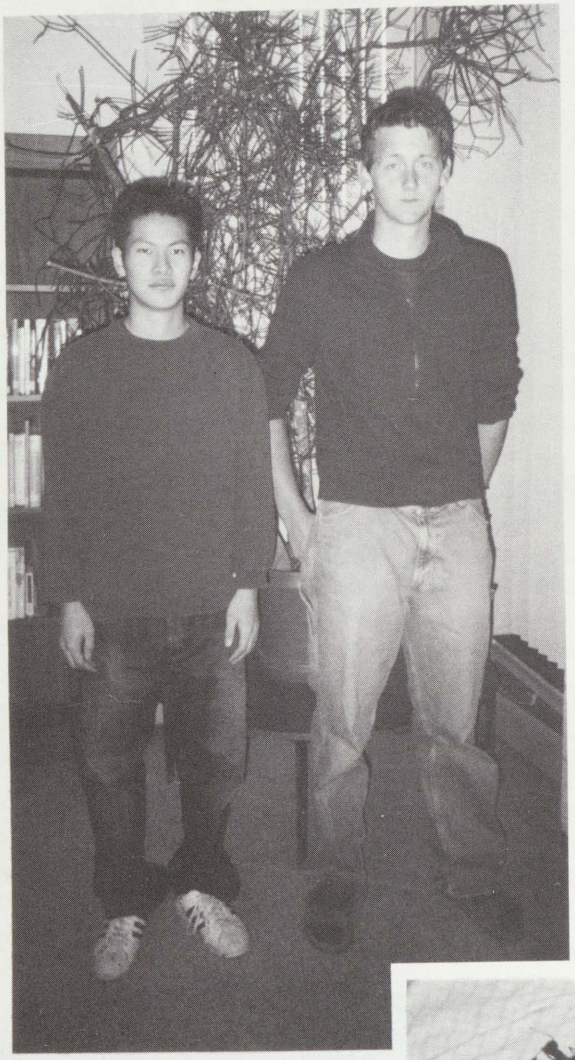
# All Around the World

## Kyohei Iikura

Country: Japan
Age: 17
Host Family: John and Linda Potts
Nick Name: Judo

Kyohei's main reasons for coming to the United States was to learn English and to make new friends. He found that the best way to accomplish his goal was to be involved in school activities. During Kyohei's stay he was a member of the cross country, wrestling, and baseball teams. His favorite things about St. Charles were how nice the people were and the friends he made. When asked what he liked about the United States he stated, *"People are proud of their country here, it is a huge land, and everyone is unique."* He disliked some foods, childish people, and the boredom of the United States. Kyohei also said, *"Most things are different about the United States from Japan. It is much easier to live here, and things are much cheaper than they are in Japan."* Like many foreign exchange students, Kyohei missed his friends, family, and many foods from home. His favorite memory was "everything".

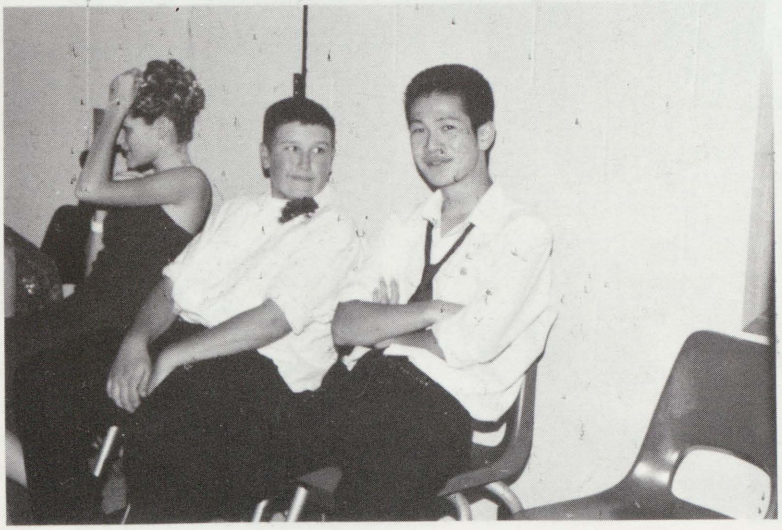


*Kyohei Iikura and Jonatan Norin*

## Jonatan Norin

Country: Sweden
Age: 18
Host Family: Marie and Tom Coleman
Nick Name: Yanni

Jonatan wanted to come to the United States to have fun and meet new people. He had a very successful football season as a kicker and was also a member of the basketball and baseball teams. His favorite memories of the United States were his first toilet papering experience and the first football game because *"Everything was so new and so big and so very cool."* The only complaints that Jonatan had were about all the homework, the strictness of the teachers, the lack of public transportation, and some foods in the United States. He did, however, like, "*How people are so laid back and always have fun in America."* Jonatan thinks he is going to miss sports in the United States because people don't care as much about them in Sweden. He missed his family and friends back home and after his stay in the United States is over he plans to attend college.



# Thumbs up to the entire class of 2003 - Good luck in whatever path you pursue

**When I think of the class of 2003** I am reminded of the diversity of this class. This class has produced several drama productions that were/are first class. Athletically it is a very talented group, making our school proud in several sports. Academically, the class has many good thinkers and tinkerers. But service to others is the best trademark. Many in this class have helped make our school and St. Charles a better place to live. They all will continue in life making positive contributions to this world. They will be missed!
Good luck, Mr. Holem

My best memory of the Class of 2003 was watching the senior boys develop into the fine athletes that they have become during their four years in high school. Their commitment and leadership was greatly appreciated.
Coach Welzein

**To the class of 2003** ~ You are a group of warm, caring young men and women who I have been fortunate to know and work side-by-side with. I will miss your wit and easy laughter. So many different personalities made up such a great group who proved to be warm and caring individuals. Good luck in every aspect of your life - you will always be remembered!

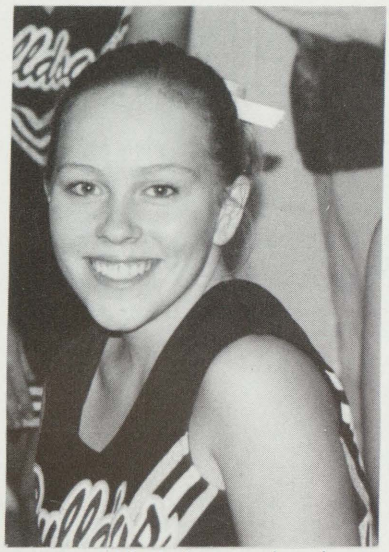
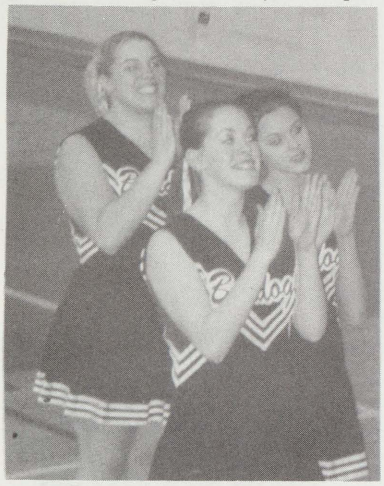
# Varsity Cheerleaders

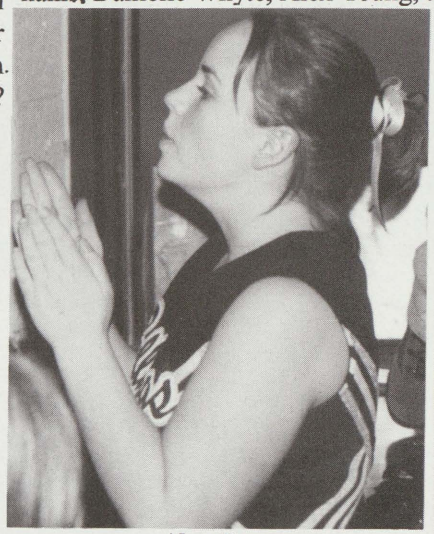


**Smile...** What does a cheerleader need in addition to high energy, team spirit, and dedication? Big smiles for the crowd! I think Sheena Hamilton. met these requirements, don't you?

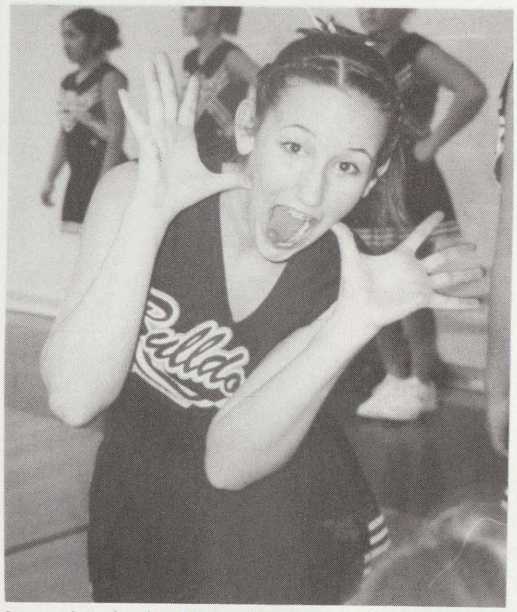
**Back to front:** Ashlee Parks, Marae Bethel, Sheena Hamilton, Blanca Muñoz, Ambrosia Spannagel, Stephanie Muirhead, Ruzena Bogar, Jenni Erdman, Amanda Williams, Danielle Whyte, Alex Young, and Amanda Stahl.



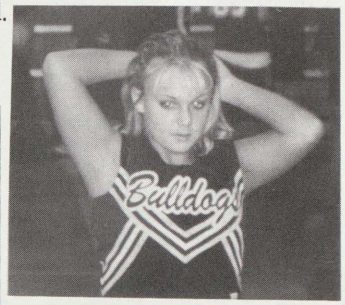
**"Hey fans in the stands! If you've got spirit, clap your hands!"** This is just one of the cheers that Jenni Erdman, Marae Bethel, and Danielle Whyte used to get the crowd involved in the game.



*Alex Young*



**Cheering isn't all work and no play.** Amanda Stahl proved this when she tried to get a laugh out of the crowd.



*Ambrosia Spannagel*

## Moments of 2002~2003

At the Hemlock football game, some of us needed to use the restroom and were directed to the girl's locker room. Upon entering, we caught Chris Miller zipping up his pants; we immediately started to run out, but ran directly into the door. So much for being classy.~Amanda Stahl

One of the funniest moments was when we competed at the Palace and a crazy guy started kicking a van's tire (not his own). When he realized that the owner saw him, he hid behind his own car.~Alex Young

**"Yeah!"** The cheerleaders performed Round 1 of their competition cheer at the Coming Home assembly.

**This is how you do it.** Danielle Whyte demonstrated the moves of a cheer to the crowd.

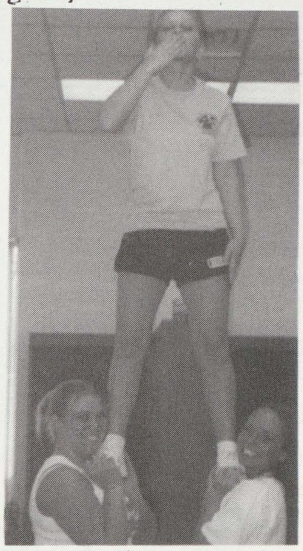
*"It has been my honor and privilege to coach such a great group of athletes. We had a really fun year. I love these girls."* -Coach Schantz. For Coach's information see football season (Page 62).



**"Muah!"** Sheena Hamilton blew a kiss as Jenni Erdman and Alex Young put her into a mount. This was a once in a lifetime moment, since Sheena never flies.

**"There's so much spirit in here I can hardly stand it,"** was one thing said when the Varsity squad went to WIOG for a cheer contest with Katie, Jimmy, and Andrew Z.

This is Coach Carlevato's first year of coaching volleyball; she has never coached any other sport. When she was in high school, she played volleyball and softball. Since she will be attending Western Michigan University next year, her coaching career will be put on hold. She says that after college she'd love to come back and coach at St. Charles.

**Q** *What was it like to play your first year of volleyball in high school? How was it different from middle school sports?*

# Wrestlers Win 8th TVC- West

***"More Power, more power, more power..."*** was the chant that could be heard from the St. Charles Varsity Wrestling huddle before every match. Apparently, it worked! The team finished the season with a 25:1 dual meet record, setting a new school record for most dual meet wins in a season. These wins include first place finishes at the St. Charles Invitational and Swan Valley Invitational. The team also took 2nd place at the Fulton meet, 4th at Freeland, and 4th at the Conference meet. The team definitely had a winning season. The team won the county title, including two first place finishers, Greg Goidosik and Rob Claus, and then went on to win the TVC West Conference Team Championship, but lost in team districts. Individually, however, the team had three district champs: D.J Carter, Greg Goidosik, and Rob Claus (Greg and Rob also took 1st places at the County and Conference Championship meets). Eleven wrestlers, including D.J. Carter, Cody Jackson, Nate Santino, Peter Munguia, Eric Anderson, Erich Wicke, Greg Goidosik, Rob Claus, Brett Wicke, Brandon Theile, and KC Hall, went on to wrestle in Regionals, where the top four medallists in each weight go on to States. After Regionals, there were eight state qualifiers: D.J. Carter, Cody Jackson, Peter Munguia, Nate Santino, Eric Anderson, Greg Goidosik, Rob Claus, and KC Hall. In the State Finals Greg Goidosik came away with third place in the 152 pound weight class.

## Coach's Corner — Pat Rusz

Coach Pat Rusz has been coaching wrestling for 21 years. He also coached football and softball. Coach Rusz attended St. Charles High School, where he participated in football, track, and baseball. He wrestled while attending college at Delta and then Michigan State. Over the years Coach Rusz has accumulated nine conference championships, four Saginaw County championships, six District championships, and seven Individual State championships. Coach Rusz's funniest memory of this season was when Nate Santino asked if the team could have a suggestion box for varsity wrestling. His best memory of this season came when the team won the Saginaw County Team Championship, his worst when Greg Goidosik injured his hand a week before the state finals. When asked about this year's team, Coach Rusz said, *"I have never had a team that was more enjoyable to coach."*

# Track & Field

*Ice, snow, and rain plagued spring sports, causing cancelled meets and an end to a season like none before it. The winning teams for some meets were actually determined at the Conference Meet held at Hemlock High School. The team put in many hours of practice but never got the full opportunity to compete and improve individual records. Despite all of this, the girls kept a positive attitude, tried their skills at different events and worked hard throughout the season.*

*This year's team consisted of one freshman, nine sophomores, two juniors, and four seniors. Graduating this year was Jill Kenyon and Angie Atkins (4th year runners), Melissa Boquette (3rd year runner), and Ashley Sova (1st year - field).*

## Coaches corner

First year Varsity Softball coach Torie Rusz has been coaching for five years. Coach Rusz is an alumni of St. Charles in which she participated in basketball, volleyball, and softball for four years and then went on to play softball at Saginaw Valley State University for two years. Her best moment of the 2003 season was at the Millington game when the girls came from behind to record a win. Her worst moment was the Carrollton game because the team made too many errors. Coach Rusz stated that her funniest moment of the season was when Laura Donovon got caught in the pop-up net! Coach Rusz plans to continue coaching softball.

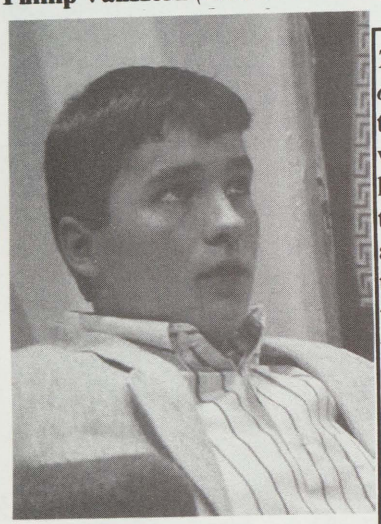
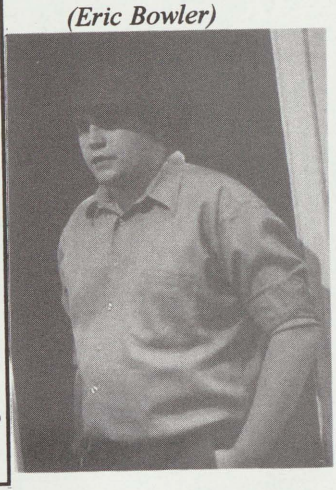
**Phillip VanHorn** *(Cameron Adams)*



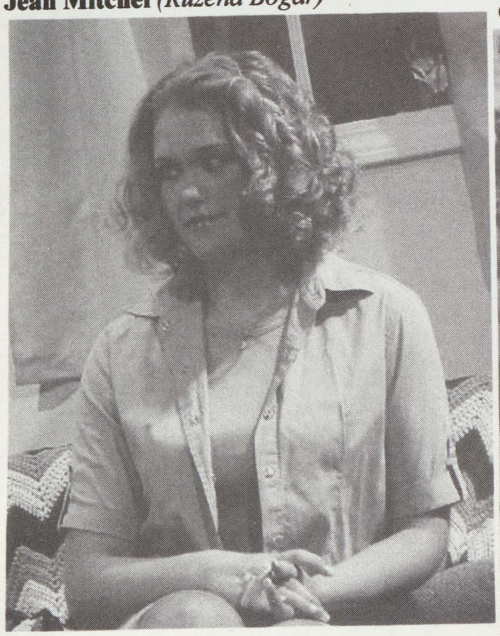
*Those Crazy Ladies in the House on the Corner*, by Pat Cook, tells the story of three elderly sisters who live together in their old house. This comical story takes a twist when Doc sets them up with a live-in nurse who needs a place to stay for a while. At the same time the child of one sister wants to put them in a retirement home and sell the old house to make a profit. This production had laughs and cries, work and fun, all put together in the same two and-a-half hours.

**Dr. Arnold Lomax** *(Eric Bowler)*

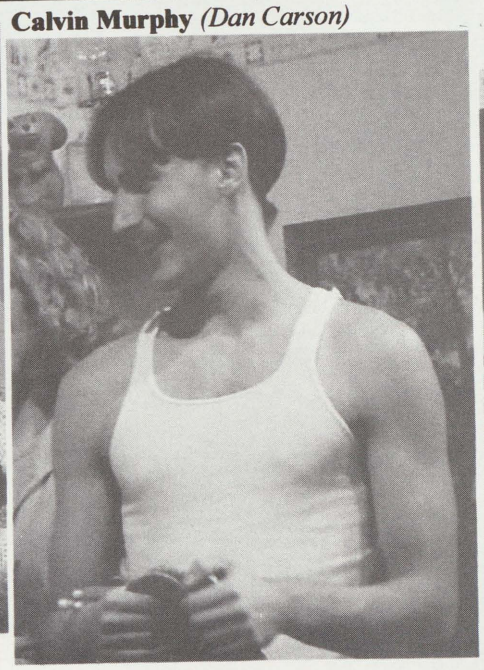


**Jessica Brown** *(Julie Williams)*

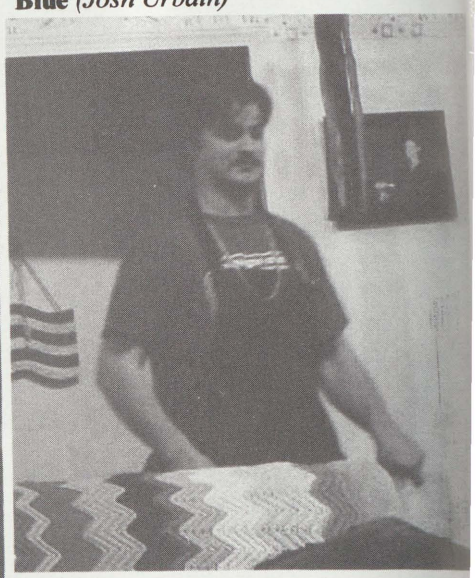
**Jean Mitchel** *(Ruzena Bogar)*



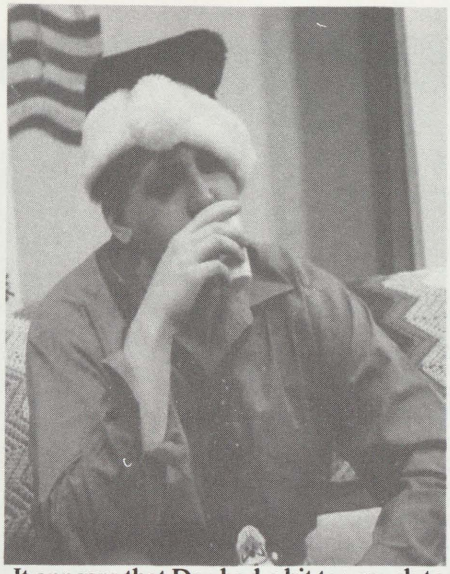
**Calvin Murphy** *(Dan Carson)*



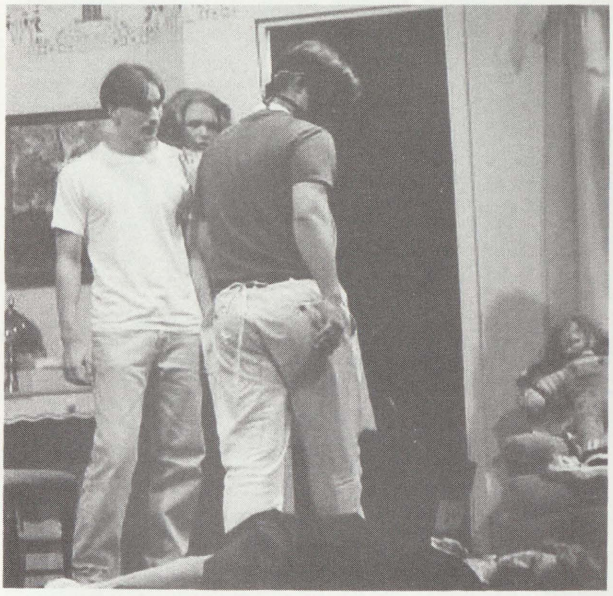
**Blue** *(Josh Urbain)*



Doc tells the ladies that there is a nurse looking for a place to rent, and insists that she stay with them. The ladies are not very happy.



It appears that Doc had a bit too much to drink on Christmas. // Calvin comes to visit Jean at her new "place" (right).



Blue, the delivery boy, is unaffected by Dora's behavior, considering they do pranks like this every Halloween, but Calvin and Jean are still in shock.

The Junior-Senior Banquet was held on Wednesday, May 14th in the cafeteria. The banquet is an annual event that is hosted by the Junior class. Hotdogs and hamburgers were grilled and the juniors all brought dishes to pass. After the meal, Senior Mock Elections were handed out, followed by the Senior Video. The video was put together by Tiffany Harrison and Mark Williams and burnt on CD's with the help of Mr. Schmidt. Each senior was asked to provide five pictures of themselves, ranging from birth to current. We received an 80% response from the seniors, and the video was a success.

The 2003 Post Prom Party was a huge success. Over 130 students came and enjoyed bowling, bowling games, and cards. At each game, students could win play money which, at the end of the night, was used to "bid" in an auction for prizes.

To be considered for the award a student is first nominated by a teacher, then all the teachers give their endorsement to or agree upon one student. This year the vote was unanimous. Great job, Nick!

This year many athletes from St. Charles High School have signed on to bigger and better things. Josh Braun and Neil Turner both signed letters of intent to play football for Saginaw Valley State University (left). Greg Goidosik signed a four-year wrestling scholarship with Michigan State University. For these athletes the hard work and dedication they have shown our school through the seasons paid off. # Celebrate With The Graduate

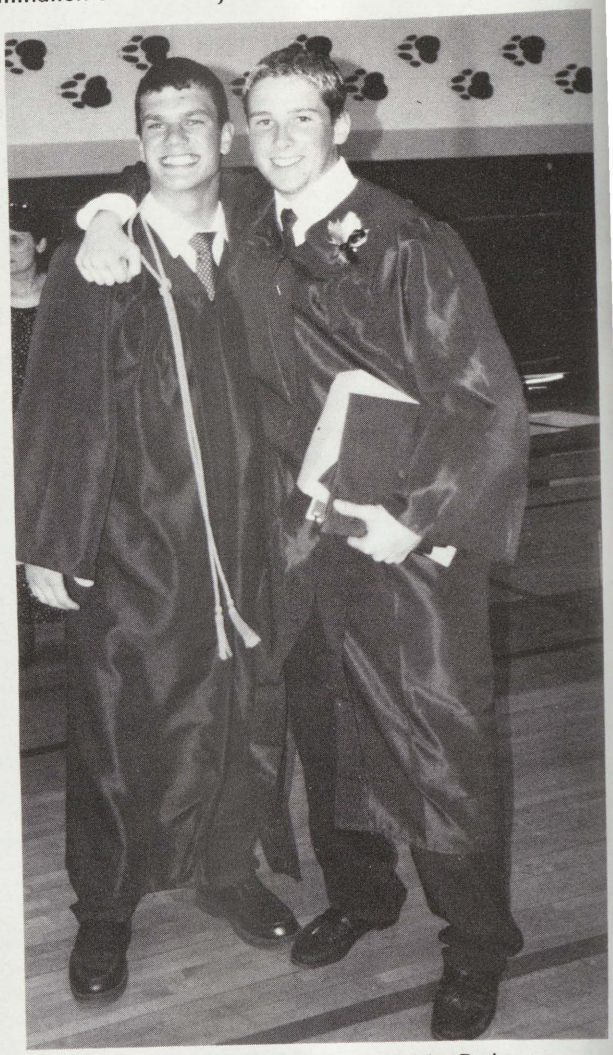
The weather was perfect, the football field was beautiful, the mosquitos were persistent, and spirits were at their highest. It was a long ceremony where the choir sang, the Symphonic Band played several tunes, including several college almamaters in honor of retiring teachers, and class leaders and administrators shared their feelings with everyone. Not only were the graduates in high spirits, the bleachers were filled with proud family members and friends. It was a happy, yet sad culmination of thirteen years of schooling.

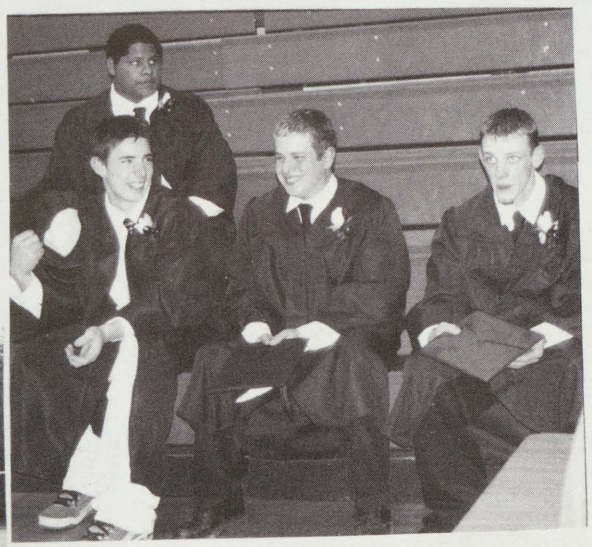
Before they were officially graduated, two life-long friends glowed with happiness and anticipation. Congratulations to two beautiful young ladies ~ Laura Donovan & Ashley Burch.

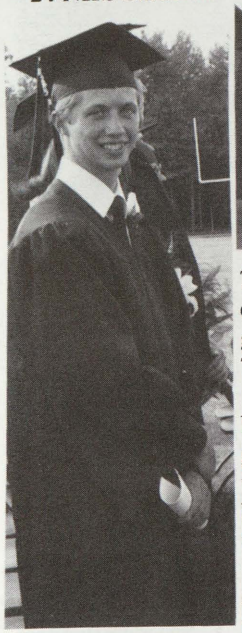


Mission accomplished ~ Josh Braun & Matt Breier

***The Class of 2003 graduated 94 students***

***~ 25 with honors***
***~ 26 with high honors***
***~ 24 NHS Students***

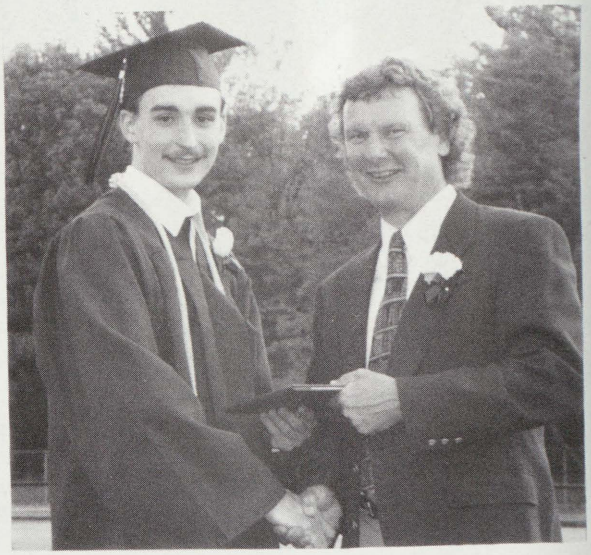


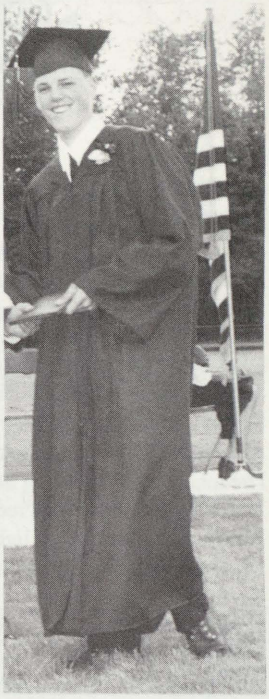


The Senior Class President, Jacob Darabos, announced each graduate, and Dan Carson received his diploma and good wishes from Lenny LeFevre, a Board of Education Trustee.

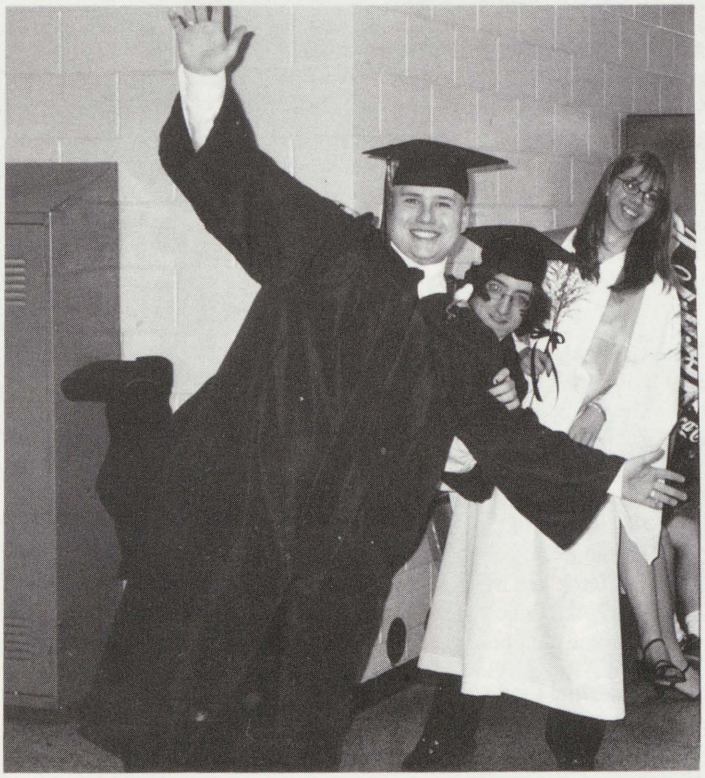
Nerves were running rampage as you looked at all the graduates waiting to walk to the football stadium. There were a few exceptions, however, as Steve Varnado, Jarrod Naessens, Brandon Weaver, and Kyle Waseleski leisurely waited to line up.

One of the tunes the Symphonic Band played featured Paul Andrusiak on the drums and Jush Urbain on the trumpet.





Andrew Wachowicz will soon be pursuing a career in banking and business finance.



In most groups there is always someone who could make their friends laugh and bring out the lighter side of all situations. Before the ceremonies began, Nick Carlevato and Kurtis Dros didn't disappoint their friends. Rachel Wooley, who was part of the honor guard, joined the fun.

Until this moment, Kara Yuker's day hadn't went well. She went to the store only to misplace her purchases. She purchased new clothes for the evenings events and got mud on them before she could put them on. But, at this moment she stated that *"everything is great now"*.

# Notable Accomplishments

The following students earned a ***Perfect Attendance*** for the 2002-03 school year: ***Cameran Adams ~ Kimberly Anklam ~ Katherine Baldwin ~ Krystal Graham ~ Jesse Kendall ~ Kristina Lawrence ~ Joseph Mahoney ~ Curtis Wilson.*** Well done!!

***Drafting State Award Winners:*** Fourteen projects from Mr. Niederstadt's drafting classes advanced from Regional Competition to the 75th Annual MITES (Michigan Industrial Technology & Education Society) State Finals. This year over 12,000 projects were entered from around the state. Students earned six awards in this year's competition. State Winners from St. Charles include:

- Computer Aided Detail & Assembly Projects: ***Cody Jackson*** - 4th Place
- 9th & 10th Detail & Assembly Projects: ***Jesse Kendall*** - 8th Place, ***Stefan Book*** - 9th Place, ***Josh Royal*** - 10th Place
- 11th & 12th Detail & Assembly Projects: ***Ray Hang*** - 8th Place

***Computers III*** offered an opportunity for students to work in graphic arts, using the program 'Adobe Photoshop'. This will be helpful with future yearbooks since they are switching to a totally digital yearbook and will be able to expand their previous capabilities. After the seniors graduated, it left only one student to take a final exam - ***Joe Mahoney.*** Using his love of nature, Joe gathered pictures he had taken at Isle Royal and produced the above image. He started with a picture of a sunset which formed his background. Then, encased in the letter N, he used six different pictures, artfully blended to look like one. Look closely and you can see a waterfall, a Loon, a beach, and wooded areas. A++

# 6 myths
## About your local community college

# Myth No. 3

### The people who go to Delta are the ones who can't get in anywhere else.

Wrong! All sorts of people go to Delta. In fact, we are the first choice of area high school seniors over the next five colleges combined. We continue to draw the highest percentage of high school grads with grade points over 3.0. We offer honors programs, business courses, automotive technology, computers and calculus, and most everything else you can imagine.

We have a better record than a lot of four-year schools on the licensing exam for registered nurses. In fact, "U.S. News and World Report" (that's a magazine your parents read and you used in a footnote once in your sophomore year) reported the community college graduates perform better academically than the native university students. See, it's just not hype!
